NATIONALIST CONSERVATIVE PARTY

-THE MEANING OF THE NAME:-NATIONALIST CONSERVATIVE PARTY-

NATIONALIST:- To advocate the Unity and Independence of our Country. To believe that the interests of our Country are above the interests of all other Countries, and with unceasing zeal we propose to pursue this course.

CONSERVATIVE:- To preserve the institutions of our Country, to preserve the wealth, the private property and the National resources of our Country. To prevent wanton waste of our National income, to prevent squandering and give away programs to help any political party to buy votes, or squandering and give away programs by which politicians give billions of dollars to foreign Countries for their own selfish reasons.

To demand an economical administration of Government, a balanced budget, and a prompt reduction of our National bonded indebtedness.

PROFITS IN WARTIME

Inasmuch as during the past two wars manufacturers and war workers have made huge profits out of war contracts, the Nationalist Conservative Party proposes the following policy:

(1.) In time of war all labor shall be conscripted in the same manner as the men in the armed forces are conscripted and receive the same salary.

(2.) All manufacturers of war materials and supplies to be required to accept contracts on open competitive basis, all profits will be set by Congress at a definite per cent ratio. The per cent of profit to be the same for all.

LABOR UNIONS

Inasmuch as a large percentage of Labor Unions are controlled and dominated by thugs, roughnecks, grafters and Moscow inspired communists, and inasmuch as these quasi-bandits are not operating the Unions for the benefit of the workers but for their own profit and for the benefit of corrupt political organizations, the Nationalist Conservative Party proposes the investigation and incarceration of all corrupt Labor Bosses and gangsters and corrupt, treasonable, communist labor organizers and the dissolution of such corruptly dominated Unions until the time they are re-organized under the leadership of Patriotic decent American Citizens.

AIMS and PURPOSES
of the
NATIONALIST CONSERVATIVE PARTY

This pamphlet briefly describes some of the Aims and purposes of the Nationalist Conservative Party, the conditions in the United States which necessitate the forming of a third party, the faults and mistakes of the two major Parties, namely the Republican and the Democratic Parties, the brazen crimes and injustices committed against the people of the United States by the Democratic Administrations in the past.

This pamphlet will further briefly outline how the Nationalist Conservative Party will endeavor to correct the evil and tragic conditions which now beset our Nation.

LABOR UNIONS-Cont'd-

Inasmuch as each and every American Citizen is guaranteed the Sacred right to Life, Liberty and the pursuit of Happiness, under the Constitution of the United States, the Nationalist Conservative Party will cause the arrest and prosecution of any Labor Leader, or any group of Labor Organizers or any Labor thugs who attempt to prevent any American man or woman from working at any trade or profession or from working at any factory or place.

Below is a copy of a United States Federal Law which should and will be used against corrupt Labor Leaders who attempt to prevent American men and women from obtaining employment without first paying tribute to Labor Unions in the form of Union Dues.

IP Law of the United States on Conspiracy
Should be applied to Labor Bosses.

"If two or more persons Conspire to Injure, oppress, Threaten or intimidate any Citizen in the Free Exercise or enjoyment of any Right or Privilege secured to him by the Constitution or Laws of the United States or because of his so having exercised the same....They shall be fined not more than \$5,000.00 and imprisoned not more than Ten Years and shall moreover, thereafter be ineligible to any Office, or Place of Honor, Profit or Trust created by the Constitution or Laws of the United States." (Section 19, United States Criminal Code (18 U.S.C. 51) titled "Conspiracy to Injure Persons in the Exercise of Civil Rights)".

"Any person who under Color of any Statute, Ordinance, Regulations, Custom or Usage of Any State or Territory, Subjects or Causes to be Subjected, Any Citizen of the United States, to the Deprivation of any Rights, Privileges, or Immunities secured by The Constitution and Laws; Shall be Liable to the Party injured in any action at Law or Suit in Equity, or other Proper proceeding for Redress." (Section 43, U.S. Criminal Revised Statute, 1917).

The above law protects American men and Women from intimidation by Labor Bosses; the National Conservative Party proposes the Full Enforcement of this law against corrupt, violent Labor Unions and corrupt Labor Bosses.

Therefor the Nationalist Conservative Party demands the full privilege of the "Open Shop" to all American Workers. The Nationalist Conservative Party acknowledges the great and valiant work done in the past by the Late Robert A. Taft, Senator of Ohio; in his fight against Corrupt Labor Bosses, Un-American

LABOR UNIONS-Cont'd-

Labor Laws, Corrupt and Communist, Labor Bureaucrats, Shyster Labor Lawyers and the Criminal and Treasonable New Deal and Fair Deal Administrations which plagued our Country. The Nationalist Conservative Party pledges itself to carry on this fight against Labor Racketeers until the time when all American Workers may work wherever they please without any interference from Labor Union Racketeers.

FOREIGN POLICY:

(1.) We will trade with all Nations of the World except Communist Russia and her Allies.

(2.) A favourable balance of Trade must be maintained.

(3.) Absolutely no Treaty Alliances with any Foreign Country unless such Treaty Alliances are highly beneficial to the United States of America.

Absolutely no Give Away Programs or Gifts of Assistance to any Nation. All Loans to any Foreign Nation must be sound and backed by physical assets and physical collateral.

The United States of America Must sever Membership and Relations with the infamous United Nations.

NATIONAL DEFENSE

A strong National Army must be maintained, The Nationalist Conservative Party asks Universal Military Training for all men and that attention be expressly given to a high degree of Training and efficiency with a minimum of expenditure for each soldier.

MONETARY PROGRAM:

The Nationalist Conservative Party proposes an American Dollar of unfluctuating Value, a Dollar backed by physical assets and the physical resources and property of the United States: An American Dollar with the purchasing power in the Staple Commodities of the 1930 American Dollar.

The Nationalist Conservative Party proposes the Abolition of all Federal Debt over Fifteen Billion Dollars, this to be attained by a National Sales Tax if necessary.

PAGE FOUR

MONETARY PROGRAM:-Cont'd-

The Nationalist Conservative Party demands that the United States never face a War or an emergency with a High Bonded Indebtedness.

The Nationalist Conservative Party believes the American People to be a high and noble race and therefore demands that we do not leave huge National Debts as an Heritage to our Children.

A short note to let you know I received your May 27th letter. As usual it is inspiring and well written. I love what you said about Milton Eisenhower. It shows you know what you are talking about. I am going to send you a list of Nationalist publications which you should have and you may note that some of them are quite anti-semitic, however that is their own affair. They do contain other than that, a lot of good Nationalistic information.

Have you heard of the terrible treatment given Lucille Miller of Bethel, Vermont, publisher of the Green Mountain Rifle Magazine, an extremely Nationalistic Magazine. She for the past year has criticized Judge Gibson and several violent, traitorous friends of Alger Hiss. This same communist minded Judge Gibson had her seized and placed in Washington, D. C. in same asylum without a court hearing or a trial by jury. Westbrook Pegler has written this entire story Nationwide in the May issue of the Chicago American and other papers.

I will try to obtain a copy for you.

With best wishes, I remain,

Patriotically yours,

NATIONALIST CONSERVATIVE PARTY

6250 N. Wayne Avenue Chicago 40, Illinois

Gentlemen:

The Nationalist Conservative Party was founded in 1954 by Patriotic Americans who realized the need for a third Party for the reasons that both the Republican and Democratic Parties have become internationalized and infiltrated by Communist, Socialists, New Dealers, Fair Dealers, Bureaucrats, and course, rough-neck, rabble rousing Labor Leaders.

We founders of the Nationalist Conservative Party feel a burning need to organize and save our Country. The Republican and Democratic Parties have so exploited, taxed, milked and weakened the body politic of the United States of America that the time has come when the Goose that laid the Golden Egg is dying.

The Nationalist Conservative Party is motivated by only the highest and Patriotic ideals and composed of men who believe honor, country and decency to be their only purpose.

We denounce and condemn the middle of the road, fence-straddling policy of the Republican and Democratic Parties and we earnestly ask your support and your pledge of membership.

This briefly tells you something of the new Third Party which is an extreme Right Wing Party.

Enclosed are two printed sheets which describe the type of political philosophy which the Nationalist Conservative Party opposes and further describes the type of Political philosophy with which we agree.

Very truly yours,

NATIONALIST CONSERVATIVE PARTY

Wm. B. WERNECKE
NATIONAL CHAIRMAN

Dear Member:

This letter is to inform you that the Nationalist Conservative Party is active and energetically working to increase it's membership. We are most sorry that we have not communicated with you sooner to keep you in touch with events and Party Activities.

We are at present advertising in 14 of the leading Newspapers through out the United States plus the activity of the individual local and county organizations.

Enclosed please find your Automobile windshield sticker which we hope you will place on your car immediately.

Will you organize and lead your local chapter of this Party in your home neighborhood? It is, of course, vital that local, precinct and county chapters of the Nationalist Conservative Party be commenced immediately. If you wish any instructions on how to organize a local chapter, please write us for information and literature.

We are enclosing two membership blanks, would you please have these blanks filled out by two people and send in, their cards will be sent to them. This is the only way an honest and uncorrupted Party such as ours can increase our membership. We do not have donations from internationalist bankers to pay for expensive Radio time, etc.

Thanking you, I remain,

Very truly yours,

Wm. B. Wernecke,
National Chairman,

WBW:re

INDEX *ed*

.....WE, THE MOTHERS MOBILIZE FOR AMERICA, Chicago group, held one of its infrequent meetings on October 17, attended by less than one-hundred people. The meeting was noteworthy because the speakers abstained from their usual anti-Semitic outpourings. Elizabeth Knauss, long-time supporter of hate causes, came in from Davenport, Iowa to deliver a rambling dissertation on alleged communization of American schools. Introduced for a bow was Eustace Mullins, East Coast minor league bigot, who is a frequent contributor to the lunatic fringe press. Several years ago, Mullins lost his job with the Library of Congress after acknowledging authorship of a number of racist tracts. As a new resident of Chicago, Mullins promised to cooperate extensively with "The Mothers."

.....WILLIAM B. WERNECKE, Chicago leader of the Nationalist Conservative Party, appears to be the sponsor of Eustace Mullins in this area. Mullins reportedly is living in Wernecke's home and Wernecke recently acquired a small printing press to facilitate publication of a monthly periodical, Mullins serving as editor. Wernecke continues to maintain close ties with well-known hate representatives around the country in his effort to exploit support for his own Nationalist Conservative Party.

.....ROBERT H. WILLIAMS, well-known pamphleteer from Santa Ana, California has just sent a provocative "hate" mailing to political leaders in many parts of the country. Background data on Williams has been supplied to individual recipients who have denounced Williams' current piece. Should it appear that great numbers of people in given parts of the country have been subjected to Williams' poison, appropriate public counteraction and exposure of Williams will be employed.

.....UPTON CLOSE, one-time employer of Robert Williams, continues to circulate his high-priced "Closer-Ups" from Palm Beach, Florida. Close's small bulletin, usually no larger than four pages, is issued erratically, along with special reports from Don Bell, one-time radio commentator from Oklahoma. The two "Bulletins," replete with anti-Semitism of the most blatant character, sell for \$20.00 per year. In an effort to wield influence throughout the hate camp of America, Close has just announced that he has placed a total of some 700 "patriotic organizations" on his free mailing list.

.....ANOTHER KU KLUX KLAN group gained legal stature in Georgia late in October when the U. S. Klans, Knights of the Ku Klux Klan, Inc., was granted a charter of incorporation by an Atlanta judge. Promoter of this Klan enterprise is Samuel Green, Jr., attorney son of the late Dr. Samuel Green, long-time Imperial Wizard of the old Georgia Klan. As we have reported previously, the many promoters of these new Klans each insists that he is the true successor of the feared Klan leaders of years before.

.....ELIZABETH DILLING STOKES has never minced any words in condemning anyone with whom she disagrees. Her squabbles with most of the well-known hate propagandists even confuses the dupes who contribute to the various movements. Currently, she is heaping abuse on Gerald L. K. Smith, subject of a recent court battle instituted by her former husband, Albert Dilling, and her son Kirkpatrick, which claimed payment of legal services unpaid by Smith. She has just announced with pleasure that Smith has already begun to settle an \$18,000 judgment which the Dillings won and predicts that Smith will suffer another court loss if he doesn't stop maligning the Dilling name.

.....AN OPENLY DISCRIMINATORY REAL ESTATE AD recently appeared in a north suburban newspaper, glaringly announcing that the advertised home was situated in "a Gentile neighborhood." This ad not only disturbed Jewish residents of the surrounding area, but it also upset the local Real Estate Board. A special committee of that Board speedily conferred with the offending realtor, pointing out the offensive nature of such advertising and, in addition, conferences were had with the newspaper in question. We have gained assurances that the newspaper does not approve of such advertising, the ad in question having appeared through error.

.....WE THE PEOPLE, new "political" movement, which held its national convention in Chicago in September, and which attracted a number of known anti-Semites, as reported last month, has disseminated optimistic reports on the results of the convention, claiming important following from thirty-eight states. A follow-up local meeting attracted a little over one-hundred people on October 14, when leaders explained techniques for making their point of view felt in the 1956 elections.

Announced purpose of the leaders is not to form a third party but rather to "become strong at the grass roots in the precincts around the country, so that both major parties will be compelled to cater to the wishes of 'We the People!'"

.....Late in the summer, the ADL received a report of an anti-Semitic incident which took place in a well-known restaurant North West of Chicago. It appeared that a Jewish party was the subject of anti-Semitic comments by one of the employees. ADL's representations to the management were delayed because of the inaccessibility of the owner. The case has now been satisfactorily closed with complete assurances given by the owner that the restaurant does not have any policy against Jewish patronage, was extremely sorry that the incident had taken place, and had taken steps to make certain that there would be no repetition of such incident.

Dear

I have not heard from you for quite a while, is there news? I am enclosing a copy of a poem written by Robinson Jeffers in the book, "The Double Ax".

Please let me know what you think of it. I have always considered the "Original Sin" as taught in Christian doctrine very wrong. I never believed our God would attach sin to a new born baby. I know you think on religious matters, so I would very much like your reactions to this poem.

I addressed a Philosophy Class in Northwestern last month on Nationalism, I had no trouble with any point, an adverse audience was unable to make any points.

Sincerely,

Bill

P.S.

Are you old enough to run for State Senator? Would you run in the Republican Primary in coalition with the Nationalist Conservative Party? Enclosed is the election Calendar.

We need candidates, I hope you will run.

THIS POEM PORTRAYS GOOD PHILOSOPHY AND THOUGHT FOR
MEMBERS OF HUMANE SOCIETIES AND ANIMAL RESCUE WORKERS

T H E K I N G O F B E A S T S

CATTLE in the slaughter-pens, laboratory dogs
slowly tortured to death, flogged horses, trapped
fur bearers,

Agonies in the snow, splintering your needle teeth on
chill steel-look:

Mankind, your Satans, are not very happy either, I
wish you had seen the battle-squalor, the bombings,
The screaming fire-deaths, I wish you could watch the
endless hunger, the cold, the moaning, the hope-
lessness.

I wish you could smell the Russian and German torture-
camps. It is quite natural the two footed beast
That inflicts terror, the cage, enslavement, torment and
death on all other animals

Should eat the dough that he mixes and drink the death-
cup. It is just and decent. And it will increase, I
think.

ADDITIONAL PLANK TO THE PARTY PLATFORM OF THE
NATIONALIST CONSERVATIVE PARTY
6250 N. Wayne Ave. Chicago, Illinois

HUMANE PLANK

Never before has any political party embodied in it's Party platform a Humane Plank, a plank giving rights and protection to animals, birds and reptiles, that is to say, any of God's creatures which are capable of feeling pain and suffering. The Magna Carta, The United States Constitution and Bill of Rights set down rules guaranteeing the Rights and privileges of Human beings and also guaranteeing protection to Human beings against physical and mental pain, torture and suffering to them. However, no political platform or moral code has yet been proposed and enacted to protect the living creatures other than Humans. Therefore the Nationalist Conservative Party proposes the following protective code for animals and all of God's living creatures. The Nationalist Conservative Party is most proud to do this and feels that by so doing, it shall be blessed in the sight of God.

The Nationalist Conservative Party will immediately enact laws making it a felony, punishable by long terms of imprisonment for any person to wound or mis-treat or cause to suffer in any way, physically or mentally, any living animal or creature.

The Nationalist Conservative Party will abolish all forms of slaughter which causes suffering, mental or physical, to any animal or any of God's living creatures.

The Nationalist Conservative Party will abolish all vivisection of any living creature if in the course of that vivisection the animal may suffer mentally or physically.

The Nationalist Conservative Party intends by this plank to give to all of God's living creatures within the realm of the Sovereignty of the United States, the same equal rights and protection which is given to a Human being in the United States.

The Nationalist Conservative Party proposes the immediate enactment of Laws which will stop forever any form of cruelty to any of God's living creatures, within our Country.

We believe that this Humane Plank in our Party Platform, when carried out, will bring to our Country and to the World, God's true blessing. For it is a fact that in the past, animals have been allowed to be treated in a cruel, scandalous and sacriligious fashion by our Citizens.

Man, himself, being nothing more than one of God's creatures, will respect the Platform of the Nationalist Conservative Party and the Nations of the World will respect the Nationalist Conservative Party and the People of the United States for having enacted these Humane Laws; for the people of the World will realize that any Nation that respects the rights of all of God's living creatures, that same Nation will also respect the rights of Man.

The Nationalist Conservative Party believes that as soon as cruelty of any kind mental or physical, to any of God's living creatures has been made a felony, punishable by long terms of imprisonment, acts of cruelty to any of God's living creatures will cease to be committed and will occur only in rare cases by perverted and insane individuals who will quickly be imprisoned and kept where they can commit no further crimes.

The NATIONALIST CONSERVATIVE PARTY recognizes the fact that there exists an American Medical Trust which is composed of:

- (1.) The American Medical Association and its many allied and affiliated State Medical Associations.
- (2.) The Drug Manufacturers.
- (3.) Thousands of Hospitals controlled by the American Medical Association.
- (4.) The Tax Free Universities, The State College and University Medical Schools and Research Hospitals and Laboratories.
- (5.) The Ford and Rockefeller Research Foundations and many other highly financed Foundations, which provide the Grants, Fellowships, Scholarships, Projects and Funds that total about seven hundred Million (\$700,000,000.00) dollars a year income.
- (6.) The huge Tax Free Bequests and Legacies willed each year to Hospitals, Universities, Research Foundations, etc. and other affiliates of the American Medical Trust.
- (7.) The Medical Fund-raising Racketeers such as: Infantile Paralysis Funds, Tuberculosis Associations, Cancer Societies, Heart Associations, Multiple Sclerosis Associations, Committees for Mental Hygiene, etc., which exploit the Public yearly for sums well over seventeen million Dollars. (\$17,000,000.00)
- (8.) The United States Public Health Service, the thousands of City, State and National Insane Asylums, Hospitals and Institutions.
- (9.) The Veterans' Administration Hospitals.
- (10.) The Medical Corps of the United States Armed Forces. (which controls the lives and well being of millions of men and women in the United States Armed Forces.)

The American Medical Trust maintains and operates a huge Government and Legislative lobby with lobbyists in all City Governments, State Legislatures and in our United States Congress.

The NATIONALIST CONSERVATIVE PARTY further recognizes the fact that no group, organization, cartel or monopoly, such as the American Medical Trust, should ever possess a strangle hold on the American People like the one which this group is now exerting.

With their enormous Billion Dollar Power, the American Medical Trust forces upon our Nation illegal, cruel and Un-American Laws which compel the Citizens of the United States to submit their bodies to compulsory vaccinations, injections, cruel and injurious operations, cruel and injurious tests and examinations, cruel and injurious surgical and medical experimentations against their will. Many of our Citizens are now being forced to violate the Sacred Command of their Religious Beliefs and Doctrines by having these tests, operations, injections, vaccinations and treatments. This crime is being done under the direction and domination of the American Medical Trust and for the profit of the American Medical Trust.

The NATIONALIST CONSERVATIVE PARTY will immediately enact Laws protecting the Constitutional Rights of every person within our Country. These Laws will prevent any person from being forced to accept any type of Medical treatment without the person's full consent.

The NATIONALIST CONSERVATIVE PARTY will enact immediate Laws making it a crime punishable by long terms of imprisonment for any Physician, Public Official or Citizen of any Class to force any person to take any type of Medical treatment against his or her will or to use any type of Mental Pressure upon a Citizen to submit to such Medical Treatment or to condone or assist any person in forcing Medical Treatment upon any person.

The NATIONALIST CONSERVATIVE PARTY will immediately revoke any Laws now standing which purport to force any person to submit to any form of Medical Treatment or surgery or to be forced to take any diet or Chemicals such as Flouridated Water, etc., etc.

FEDERAL BUREAU OF INVESTIGATION
INTERVIEW REPORT

105-2790-1A¹⁸Date 10/24/58

RUTH WERNECKE advised that she married WILLIAM B. WERNECKE in Mexico some time ago and that she has been separated from him since July 5, 1958, because of the cruel physical mistreatment she has received from him. She claimed that her maiden name is REINER and that she presently uses the name of RUTH ENGSTROM. WILLIAM WERNECKE resides at 6250 North Wayne Avenue, Chicago, Illinois, and has a 90 acre farm in Huntley, Illinois.

RUTH WERNECKE claimed that WILLIAM B. WERNECKE had bragged to her that prior to World War II he had a part in a bombing of a Chicago department store which broke some windows. He also admitted to her that he had bombed some tombstones in Jewish cemeteries; however, she could not furnish any details concerning these incidents. He has done considerable amount of dynamiting of tree stumps and water ponds on his farm in Huntley, Illinois. She knew that he purchased several cases of dynamite from RUSSEL REED, a farmer and distributor of the Atlas Explosive Company. REED's farm is two miles south of Woodstock, Illinois. WERNECKE has also purchased black powder from REED and from Sports Inc., 5501 North Broadway, Chicago, Illinois and Keeney's Sport Shop in Elgin, Illinois. WERNECKE is an avid gun collector, makes his own bullets, and considers himself a firearms expert.

WERNECKE is considered to be very unstable and has been under the care of a psychiatrist, Dr. HANS DEUTSCH, 334 West Barry, Chicago, Illinois.

WILLIAM WERNECKE has instructed others in the use of explosives and is capable of inciting others to acts of violence, but would never have the courage to perform an actual bombing himself.

He had instructed one CHARLES KELLY, age 27, believed to reside at Route # 2, Valdosta, Georgia, who was in Chicago for approximately four months several years ago, on the use of explosives. KELLY stayed on WERNECKE's farm at Huntley. KELLY was arrested by the Chicago, Illinois Police Department for possession of a loaded gun in his automobile. KELLY was released on bond and immediately left the Chicago area.

In or about February, 1958, WILLIAM WERNECKE made a trip (alone) to Florida and Georgia. The nature of this trip was unknown.

WILLIAM WERNECKE has associated with ANTHONY MARINO, believed to be a chef at the Charmet Restaurant, Chicago, and JOSEPH BEAUHARNAIS, address unknown. Both are considered capable of inciting others to performing acts of violence, but she had no information concerning their individual activities.

CG 105-2790

WILLIAM WERNECKE, according to RUTH WERNECKE, is considered to be worth approximately \$125,000 and in order to avoid payment of taxes, he formed a church known as the American Humane Church, to which he has transferred his property. This is actually no church at all, but a church on paper only. The foundation of this church is reportedly recorded in McHenry County and WILLIAM WERNECKE has appointed himself as a bishop in this church.

The now defunct Nationalist Conservative Party, organized by WILLIAM WERNECKE, never had any active members. She could furnish no additional information concerning this organization.

She concluded that WILLIAM WERNECKE encouraged and supported racist literature put out by MAX NELSEN of the Real Political Institute, age 35, of 2545 West Catalpa, Chicago, Illinois, and one MATTKOEHL of Chicago.

INTERVIEW REPORTDate October 27, 1958

RUTH WERNECKE, nee REINER, who presently goes under the name of RUTH ENGSTROM, 5307 North Damen Avenue, Chicago, Illinois, telephonically advised that S. ALLEN MANN, 841 South County Line Road, Hinsdale, Illinois, who is about 22 or 23 years old, telephonically contacted WILLIAM B. WERNECKE in May, 1958. MANN's purpose in calling WERNECKE was to secure his assistance in how to handle dynamite and how to set off an explosion. WILLIAM WERNECKE agreed to this, but no specific date was agreed upon.

RUTH WERNECKE did not know whether MANN ever received any instructions from WILLIAM WERNECKE in this matter.

DESCRIPTION OF SUBJECT:

FACTS OF COMPLAINT: The complainant telephonically advised the writer that he had been quoted, (correctly), in a Chicago newspaper as being opposed to the enactment of a "Sullivan Law" for Chicago, since he considered it to be "unamerican". The Complainant stated that he is a target shooter and a gun fancier and is opposed to any Sullivan Law.

One night last week, at approximately 2:10 am, one WILLIAM B. WERNECKE called the Complainant on the telephone and stated that he was the National Chairman for the Nationalist Conservative Party with offices at the above captioned addresses. WERNECKE advised the Complainant that he had read about him in the newspapers and wanted to support him in his stand against the Sullivan Law in Chicago. WERNECKE asked the Complainant to become a member of the above captioned party.

The Complainant stated that some acquaintance (name unknown) had advised him that WERNECKE was "mixed up with the German Bunds prior to the ending of world war #2.

WERNECKE sent literature to the Complainant, through the mail. The Complainant did not recall the exact nature of the literature but stated that it concerned labor leaders and that he had it available at his home.

PLUMMER stated that he can be contacted at his home in the daytime until 2:00 pm.

The Complainant advised that he had been contacted a while back by an agent from this office named HAMRE (possibly MERLE HAMRE) regarding a .45 calibre automatic which he had purchased from a friend.

DESCRIPTION OF SUBJECT:

FACTS OF COMPLAINT: Mr. WOLF telephonically advised that he is employed by the NORMAL LAUNDRY, 7432 South State Street, Chicago, and that recently a customer of his, MICHAEL PLUMMER, Jr., 10445 South Homan, Chicago, requested that he join the NATIONALIST CONSERVATIVE PARTY and furnished him with literature describing the aims and purposes of that party. These aims appear to be for the formation of a third political party. PLUMMER is described in this piece of literature as Chairman, Firearms Legislative Committee. According to WOLF, PLUMMER does not like the way the country is being run and believes the NATIONALIST CONSERVATIVE PARTY could do a better job. 3. Miscellaneous persons who do not fall in the above categories but are in some way in a position to report on the activities of the organization. Examples of such individuals would be: known contacts of the organization, associates of members or officers, individuals on mailing lists, and in the case of newspapers, subscribers.

Upon completion of this review, a memorandum should be dictated directed to the SAC in the caption of the subject organization with a copy designated for the individual selected through file review. These individuals should be briefly identified in the body of the memorandum. The memorandum should also contain an initial paragraph describing the organization, giving a brief history, extent of activity, and the field in which it operates. This should be an informative summary; it is not necessary to document information contained therein. The purpose of this summary is to acquaint the agent being assigned an individual with the background of the organization.

The following instructions should be set forth in the memorandum concerning action desired:

1. That cases be opened for all individuals mentioned where no case file already exists.
2. That all cases on individuals mentioned in this memorandum be assigned.
3. That a review of these individual files and all references pertaining thereto be undertaken and investigation conducted where necessary to develop sufficient information concerning the background and activities so that an intelligent evaluation of the individuals as potential security informants or sources of information may be made.

SAC (100-20994)

4. That when this action is completed, a memorandum be placed in each file containing an evaluation of the individuals potential along with a recommendation for further action. In order to properly coordinate and control this program, one copy of such a memorandum should be designated for the organization file.

It is recognized that not all organizations listed can be fitted into the pattern of the above instructions and in many cases, modifications of these instructions necessarily must be made. In the event, that due to the peculiar nature of any of these organizations, no action is being taken under this program, a brief memorandum should be dictated for the organization file reflecting the reasons for the lack of action.

Mr. Harry Bell
65-286-59

Mr. HARRY BELL, who worked in the real estate office which managed the building at 32 South Clark Street, telephoned the Chicago office on April 2, 1941 and furnished information re NEWTON JENKINS, subject of this case, who had an office in the building at 32 S. Clark Street where BELL operated his organization, Community Builders. Inquiries had also been made, according to BELL, about the Arcade Cafeteria, on the second floor, where pro-Nazi meetings are supposed to be held. BELL advised that JOE KRZYWONOS, who acted as janitor of the building, would be more likely to be able to furnish information. KRZYWONOS and FRANK J. CHRISTIAN, elevator operator, said that the Arcade Cafeteria was a hangout for Nazi sympathizers and that there had been quite frequent meetings held in the Arcade Cafeteria. Both of these individuals said that IRVING L. BROWN, to whose home the records had been moved, was very anti-semitic and it is their belief that he was in sympathy with the Nazi cause. They also mentioned WILLIAM WERNEKE and LAWRENCE REYNOLDS as being quite active in the meetings held at the Arcade Cafeteria. KRZYWONOS said that he had received a pamphlet from WERNEKE which was very anti-semitic in its contents, but said that he no longer has the pamphlet in his possession, but if he could locate it, he would deliver it to the writer. They describe WERNEKE AS: Age 36 or 35 years; Height, 5'10"; Wgt. 195; Hair, black, kinky; Eyes, Brown, dissipated looking; Face, full; Walk - swaggering stride.

A check of the indices of the Chicago Field Division revealed that REYNOLDS and WERNEKE are mentioned in the file 65-122-36, as being former members of the Bund and are sympathetic to the Bund. File 65-572-30 shows they are reported to have attended meetings at various places and file 65-582 is a file on WILLIAM WERNEKE.

American-Christian Nationalist Party

FRED FOREMAN

61-206-40 changed to serial 44, p 6 and 6

FRED FOREMAN was contacted at his place of employment,

the Chicago Historical Society on North Avenue and Clark Streets on an unknown date by SA H. L. Davis. Informant was questioned again about the man, WERNECKE, who had attended several meetings of the American Rangers. It is possible that this WERNECKE is identical to WILLIAM WERNECKE, a prominent subject of an internal security file in the Chicago office. FOREMAN stated that he did not know WERNECKE, but that he believed his first name was "WILLIAM". Informant further stated that he believed that M. J. DIAZ was a very dangerous man; that he based his opinion as to this on the fact that DIAZ had a bad temper and at several of the meetings engaged in outbursts of speech against the Roosevelt administration, England and the Jews.

A search of the indices of the various individuals connected with RICHTER and his organization revealed that the Chicago File No. 62-2634, entitled, "GEORGE E. DEATHERAGE.", Knights of the White Camellia, American Christian Nationalist Party, Espionage, Registration Act, IS-G, report of SA John E. Kissner, Richmond, Virginia dated August 8, 1941, sets forth on page 58 the mailing list of DEATHERAGE and his various organizations. Included in this mailing list are the names of EDWIN PAUL RICHTER, Chicago American Rangers, M. J. DIAZ, 1430 Lake Shore Drive, Washington Bodyguard, 82 West Washington (Charles H. Hodler) and WERNECKE, 6250 Wayne Avenue.

Nationalist Conservative Party

W. J. PINSLEY
343 South Dearborn St.
Chicago, Illinois

100-1016-114 (22) p 2

W. J. PINSLEY, 343 South Dearborn Street, Chicago, Illinois on 4-14-55 furnished SA Lloyd Engstad a mimeographed report of Anti-Defamation League of B'Nai B'rith dated April 14, 1955.

Second article in report titled, "WILLIAM B. WERNECKE, Nationalist Conservative Party, Chicago, Illinois" it states that beginning in early 1955 a small want ad began to appear with regularity in a number of metropolitan, neighborhood, and foreign newspapers, advocating support for the Nationalist Conservative Party of Chicago. ADL quickly learned that this group was being promoted by WILLIAM B. WERNECKE, one-time Bund supporter and convicted Selective Service violator. Down through the years, WERNECKE'S financial independence has permitted him to dabble in a number of bigoted movements. This current enterprise purports to be a new, extreme

right-wing political party and invited interested people to affiliate as members. No membership fee is presently required from those who want to sign up. Investigation reveals that WERNECKE has been in close touch with a good many of the well-known hate elements throughout the country during the past few months. This movement has not as yet openly promoted anti-Semitism. A few pieces of literature which WERNECKE has circulated promotes an extremely reactionary point of view and argues that neither the Republican nor Democratic parties merit the support of "real Americans". This group obviously bears close watching.

Christian Defense Council

FREDERICK CAPPETTA

100-1677-35 p 3, 4, 5, 10, 11

FREDERICK CAPPETTA, subject of this case, voluntarily appeared at the Chicago Field Division on April 12, 1943 and furnished an unsigned statement to SA's John Moore and Lloyd V. Marlette in which he stated he belonged to the Christian Defense Council, which organization was headed by WILLIAM WERNECKE and DR. HOMER MAERTZ. The purpose of this organization was to defend those persons who had been accused of breaking the window in Goldblatt's Department Store and to accumulate enough money to pay their legal expenses. CAPPETTA was appointed the Treasurer of this organization by WERNECKE and MAERTZ. He said he was told this organization was to defend Christians. He stated he also belonged to the Allied Christian Church and he attended a meeting to organize cooperative stores. WERNECKE was also present at this meeting. He was appointed a minister along with WERNECKE and others. CAPPETTA stated that two years previously WERNECKE gave him some pamphlets which were published in Germany. He stated he was not able to recall the titles of these pamphlets but WERNECKE left them in his tailorshop. At the same time that he gave him the pamphlets WERNECKE wrote a letter to OSCAR PFAUS in Germany, telling him that CAPPETTA would be interested in receiving more literature. He stated he received a letter from PFAUS after that but did not receive any literature from him.

p 5) Among the material which was found at the subject's tailorshop when it was raided by the Chicago PD on June 21, 1941, was a letter to MR. W. WERNECKE, % 215 E. 26th Street. This was from the Atlantic Hotel and dated at Chicago, Illinois June 5, 1941. Contained in the envelope is a bill from the Atlantic Hotel to MR. W. WERNECKE, America First Committee, 215 E. 26th Street, Chicago. This was for the rental of an East Room, price, \$3.00 and was rented 5-5. The bill was dated June 1, 1941.

p 10) Also found in the tailor shop with other articles were two pages of addresses on small red sheets of paper among which was included the name of WILLIAM WERNECKE, 6250 Wayne Ave., Chicago.

CG 65-582

Illinois, and HERBERT HAUPT, 1240 Hoffelder Road, Glencoe.

Another item was an advertisement from the National Rifle Association, which advertisement includes an application for active annual membership. This is signed by FREDERICK GAPPETTA and under the caption, "Introduced by" the following name appears which is in a different handwriting. Signature: WILLIAM WERNECKE, Status: Life member NRA, Address: 6250 Wayne Avenue, Chicago, Ill.

p 11) Also included was a letter from W. WERNECKE, 6250 Wayne Avenue, Chicago, Illinois which is postmarked at Chicago, May 16, 1940 and addressed to GAPPETTA at his business address. The notation of the front of this envelope is in writing and states: "Christian Defense Council Membership Application." Contained in this letter was an application for joining the Christian Defense Council and a pledge to be signed.

German-American Bund

62-2634-10 p 93

Re report made at Richmond, Virginia 8-8-41 by SA John E. KESNER, titled, "GEORGE E. DEATHERAGE, Knights of the White Camellia; American Christian Nationalist Party, Richmond, FD". Richmond FD furnished a list which is undoubtedly the mailing list of the subject which includes names of organizations and individuals, many of which are probably subjects under investigation by their respective divisions. Listed is the name WERNECKE, 6250 Wayne Avenue, Chicago, Illinois, German-American Bund.

Dr. OTTO WILLUMIT

97-27-939

Dr. OTTO WILLUMIT, leader of the Chicago unit of the German-American Bund furnished Special Agents Earl Hirsch and M. E. Schaeffer twenty-two photographs on January 5, 1942. These photographs are being placed in the exhibit envelope of Chicago file 97-27. Photo of EM. WERNECKE appears on Photograph No. 2 together with other members of the Bund.

These photographs were transmitted to the USA, Chicago on 3-11-43.

Information was received from the British Consulate on an unknown date by an unknown agent that on September 24, 1939 the Gentile Day Association held a meeting at the Aldine Hall, 911 Armitage Avenue, Chicago, at which time one WILLIAM WERNECKE was billed as one of the speakers. WM. WERNECKE was also one of those who organized this meeting.

Institute for Aryan Study

Homer Herman Gustave Maertz
25 E. Jackson Blvd.
Chicago, Illinois

100-11575-3

HOMER HERMAN GUSTAVE MAERTZ, 25 E. Jackson Blvd., Chicago, Illinois, was contacted by SA A. M. CLARK of the Chicago Field Division on an unknown date (possible 5-25-43). It will be noted that MAERTZ has been the subject of various investigations conducted by the Bureau due to his affiliation with pro-Nazi and anti-Semitic organizations.

Informant stated that he did not believe that the Institute for Aryan Study, Chicago, Illinois actually existed as an organization. He stated that if it did he would have known about it. He further stated that the whole matter sounded like the operations of WILLIAM WERNECKE in conjunction with OTTO WILLUMBIT, leader of the Chicago Bund. MAERTZ stated he believed that this was one of WERNECKE'S many creations and if it had been developed to any extent he, MAERTZ, would have certainly taken part in it. In view of his close association with WERNECKE in 1939, MAERTZ stated that WERNECKE was a sadist of the first order and was in the habit of starting such overnight and temporary movements just to arouse a storm. MAERTZ stated that he was positive that no such organization existed in Chicago.

HOMER MAERTZ has furnished information in the past

to representatives of this Bureau which has proved to be reliable, and in view of the above information, no further investigation is being conducted in this matter.

Silver Shirts

Mr. Jack R. Brown

65-45-49

Mr. Jack R. Brown, who styles himself as the chief investigator of Illinois Vigilance Association, brought to the Chicago FBI office three copies of a circular advertising a patriotic meeting for Thursday, November 2, 1939. Mr. Brown stated that WILLIAM WERNECKE is the individual who is distributing these circulars and he believes is the individual in charge of the Silver Shirt Legion in Chicago, Illinois. According to Mr. Brown, WERNECKE operates an auto which bears 1939 Illinois License 1, 153, 839, and uses the back seat of this auto as an office, carrying all the literature pertaining to the Silver Shirts which he distributes from this auto.

George Stanislaus Heppner

100-5692-8 p 3, 4, 5

Subject of this case, GEORGE STANISLAUS HEPPNER, wa GEORGE WIELONICKI, was interviewed on March 3, 1943 by SA JOSEPH R. McFADDEN and SA WILLIAM J. SCHMID, at his home, 113 West Chicago Avenue.

HEPPNER advised that the only organizations to which he now belongs are the Packinghouse Workers Union of the CIO and is also block captain in the Office of Civilian Defense. He stated he joined the Silver Shirts of America in 1938 and was a member of the Fort Dearborn Post of that organization in Chicago. Subject also advised he was Secretary of that club while he was a member of the organization. He stated, however, he resigned from the Ft. Dearborn Post five or six years ago along with several other members because of disagreement with the policies of that organization. He stated the leader of the club had required the members to attend speeches of other clubs and organizations in Chicago. One of the clubs which they were to attend was the meeting held by DR. HOLLER MAERTZ. Subject stated in his opinion DR. MAERTZ was not 100% American and for this reason he ceased attending same. He advised they had also been required to attend meetings sponsored by WILLIAM WERNECKE and

he had attended two of these meetings. HEPPNER stated WERNECKE in his speeches professed to be for the Silver Shirts and to speak on the authority of the Silver Shirts, although he actually had no connection with that organization.

HEPPNER stated with reference to WILLIAM WERNECKE, that he had attended some of WERNECKE's meetings and had met him possibly six or seven times. He stated WERNECKE had made attempts to become a member of the Silver Shirts but he had never been accepted. He stated he did not consider WERNECKE a friend of his by reason of the fact that when he was in jail pending trial with reference to the Goldblatt window breaking incident, WERNECKE had come to him and attempted to convince him that he should plead guilty.

He stated he visited WERNECKE's farm once along with a shooting club which had been organized and they had rifle practice at the farm. He stated this club was merely a sports club, having no connection with the Silver Shirts or any other organization. He advised WERNECKE had wanted to incorporate the club as a chapter of the National Rifle Association.

Lawrence Patrick Reynolds

101-23-9 p. 1a

Subject of this case, LAWRENCE PATRICK REYNOLDS, was interviewed by Special Agent GLENN E. SIDALL and ABRAHAM JORDAN, EA's of U. S. Air Force, OSI, on July 15 and 21, 1954, at which time he executed a signed sworn statement dated July 22, 1954. Subject admitted being a friend of a Communist Party member, CLYDE JENKINS. In this statement he stated he knew a man by the name of WILLIAM WERNEKE who admitted to him that he was a member of the German-American Bund. WERNEKE did not try to get him to join the Bund or influence him regarding its policies in any way. However, he did attend some social affairs which were held in a beer hall in Chicago, where the Bund usually met. Around 1939 and 1940 he recalled seeing WERNEKE in a Nazi uniform at one of these meetings. He said he met WERNEKE in 1939. They were introduced by a man by the name of NEWTON JENKINS, a lawyer in Chicago. He said that his association with WERNEKE last for about two years and his relationship with him was not as warm as with CLYDE JENKINS. He said that NEWTON JENKINS would use WERNEKE for his own political purposes. While working for NEWTON JENKINS he often met WERNEKE in the office, where WERNEKE would tell him how he attended various meetings of the Silver Shirts, Ku Klux Klan, and other similar types of organizations for the purpose of recruiting members for the German-American Bund.

The Worker

The Worker, Illinois Edition
6-3-51, p 8, col. 5

The Worker, Illinois Edition, 6-3-51, p 8, col. 5 reflects the column, "News Reel" which states that "another local Nazi turns out to be a rent gouger, this time it's WILLIAM B. WERNECKE, former Band chieftan, who has been trying to beat five of his near north side tenants out of their hard-earned dough. He faces a trial for triple damages."

OTHER INFORMATION CONCERNING WILLIAM WERNECKE

Mr. Edward W. Johnson

61-206-55 p 15, 19

SA Ralph F. McCoy on an unknown date caused a search to be made of the index of Ordained Ministers, which is maintained in the County Clerk's office, which search failed to indicate that the REVEREND WILLIAM BERNARD WERNECKE is registered as an ordained minister.

p 15: Mr. EDWARD W. JOHNSON made available to an unknown agent on an unknown date the file relative to the account of the Christ Evangelical Lutheran Church, IV, ACMA, which indicates that on June 26, 1941, the Rev. EMANUEL RICHTER, conference President and Presiding Bishop of this church, wrote to the Cosmopolitan National Bank enclosing a copy of the organizational resolution providing for the opening of a checking account at the Cosmopolitan Bank under the name of the Christian Evangelical Lutheran Church, IV, ACMA. The letter indicates that signature cards and the names of all officers had been filed with the exception of MR. WILLIAM WERNECKE, President, who was at the time out of town but who would call later at the bank to add his signature to the list. Both the letter and the resolution were made available to the agent and they were photostated at the Chicago FD and will be maintained in the files of this office. The originals were returned to the bank.

The signature card of the corporation on file at the bank reflects that WILLIAM WERNECKE, President, was one of the individuals entitled to sign in behalf of the corporation.

There were a number of cancelled checks drawn by the organization still in the possession of the bank, and an examination indicated that WILLIAM WERNECKE's name appeared on several checks drawn on this account.

Re teletype to Director and Assistant Director E. J. Connelley, New York City, from Chicago dated June 30, 1942, title, "George Dasch, was, etal, Sabotage."

WILLIAM WERNECKE, 6250 Wayne Ave., Chicago, first became acquainted with subject Herbert Haupt, alias Herbie, in 1938 at Bund headquarters in Chicago; that HAUPT with his girlfriend, Gerda Melind, and other friends used to visit at WERNECKE'S on weekends to go horseback riding. WERNECKE advised he used to double date with HAUPT and another girlfriend named ALICE YOCKEY. WERNECKE always considered HAUPT a braggart and teller of tall tales and never placed much confidence in HAUPT's stories. He understood that HAUPT, together with WOLFGANG WERGIN, and another person unknown to him, left Chicago over a year previously with the intention of going to California. He was of the opinion HAUPT was the leader of the group, and that WERGIN merely idolized HAUPT and did what HAUPT suggested.

65-364-17

As a result of an authorized search of the home of WILLIAM WERNECKE, 6250 Wayne Avenue, Chicago, Illinois, on November 10, 1939 by the Chicago PD, there were obtained thirteen booklets and four handbills. MR. WERNECKE had been arrested by the Chicago PD on a charge of disorderly conduct and was reported by them as a possible suspect in the case entitled, "Unknown Subjects; Local Loan Company; Extortion, File 9-43 in the Chicago office.

These booklets were voluntarily given to Agent LETHERT by MR. WERNECKE, who accompanied Agent LETHERT at the time of the search and believed that Agent LETHERT was to use them as personal reading matter.

These booklets were transmitted to the Bureau for inclusion in the files at Washington. Books were mainly about Germans and Jews.

MR. WERNECKE advised that the North Side Council of Safety is his organization, and that he maintains Post Office Box No. 3620, Merchandise Mart, as the business address of the organization.

9-43-328 p 2

The local Chicago PD arrested WILLIAM BERNARD WERNECKE, organizer of the North Side Council of Safety, which is a pro-German club on November 10, 1939. Suspect WERNECKE WAS exhaustively questioned but denied having any connection with this case. He was charged with disorderly conduct, having called a policeman a Jew in open court. Fingerprints were obtained from him and specimens were taken from his Corona portable typewriter #403,478,19 located in his home during an authorized search of the premises. These prints and typewriting specimens were transmitted to the Bureau on November 10, 1939. The local case against WERNECKE was dismissed the following day and he was released.

Statement by HANS MAX HAUPT; surveillance; review of files

65-2441-155 p 29; p 46 through 55

HANS MAX HAUPT on July 2, 1942 furnished a statement containing information concerning himself. HAUPT, in the same statement intimated that HERBERT made known the complete story of his trip to Germany and the manner of his return to the US to MARTHA and WILLIAM B. WERNECKE.

p 29 A review of Chicago file 100-2637 entitled, "HANS MAX HAUPT, alias MAX HANS HAUPT, alias HANS HAUPT, IS-G" reflects that Mr. & Mrs. HANS HAUPT were known to be friendly with DR. OTTO WILLUMET, Chicago Unit Leader of the German-American Bund, and also known to be friendly with WILLIAM WERNECKE, who is known for his anti-British and anti-Semitic tendencies.

p 46 During the period when subject HAUPT was under surveillance of the Chicago FD, HERBERT HAUPT made numerous contacts with WILLIAM BERNARD WERNECKE, 6250 North Wayne Ave., Chicago, Illinois, and this individual was HAUPT'S companion on many occasions throughout the period of his visit in Chicago.

On one occasion, on June 26, 1942 when subject was in company with WILLIAM WERNECKE, they were both observed to enter the Trust Company of Chicago, 33 North La Salle Street. A later check of the Trust Company of Chicago conducted by SA JOHN A LYNCH disclosed that no safe deposit box had ever been rented under his true name or the alias of WERNECKE. However, MR. TURNBELL, Manager of the Trust Company of Chicago searched his records and advised that there were three safe deposit boxes rented to individuals named WERNECKE. Box No. A-1391 was rented jointly by WILLIAM L, BERTHA L., and MARTHA C. WERNECKE. Box No. A-1475 was also rented by WILLIAM L. WERNECKE, 30 North LaSalle Street, and listed as deputies were the names of BERTHA L. and LUCY A. WERNECKE. A-2315 was rented to WILLIAM B. WERNECKE, 6250 North Wayne Avenue, January 28, 1932. MARTHA C. WERNECKE, Mother of WILLIAM B. WERNECKE, was designated as Deputy to enter the box.

In Chicago File 65-582, the following information regarding WILLIAM BERNARD WERNECKE is reflected:

WILLIAM BERNARD WERNECKE was born in Chicago, Illinois January 21, 1907. WERNECKE attended grade school and high school in Chicago, and, also, various religious schools in Chicago. At the present time he was reported to be working for his Mother, MARTHA WERNECKE, whose business is stated to be that of property management and horse breeding. WERNECKE has two addresses, namely; 6250 Wayne Avenue, and 600 Waukegan Road, Lake Forest, Illinois. On this farm in Lake Forest, it is reported that he has approximately fifteen head of horses as well as a collection of about 25 old rifles, pistols, and shotguns and about ten comparatively new rifles which he bought from the U. S. War Department.

HAUPT told him he had been in Mexico digging gold and also made a cruise around South America. He admitted being engaged in anti-Semitic and anti-Communist activities in Chicago.

and

Interview of WILLIAM WERNECKE

65-2441-237 pp10, 11, 13, 20, 21, 22, 23, 24, 44, 46

According to a signed statement of OTTO DONATH dated July 9, 1942, which statement was made to SA's P. V. ROBE and P. C. Dunne, it is stated that he first met WILLIAM WERNECKE in approximately 1930 through one ROBERT OTTO who at that time was an employee of Roberts & Schaeffer Construction Co. and OTTO was an engineer in that company. He said he did not see WERNECKE again until about 1936 or 1937, at which time he met he and his mother, MRS. MARTHA C. WERNECKE in the Germania Club House, Chicago, Illinois, after which he visited at the WERNECKE'S farm approximately four times. MRS. WERNECKE came to their store at 629 Webster Avenue on June 25, 1942, accompanied by a person whom informant later learned was HERBERT HAUPT, but directed her conversation to her son, WILLIAM, making the remark 'Your friend HERBIE is here from Mexico' and BILL WERNECKE appeared to be quite startled at seeing HERBERT HAUPT.

p 13, 14 MRS. ELLI DONATH on July 9, 1942 gave a statement to SA P. C. Dunne and P. V. ROBE at Chicago, Illinois. In this statement she said she met BILL WERNECKE through one ROBERT OTTO in about 1931 when OTTO brought him to her house as a guest. She also said that she did not see him again until about 1936, after which they visited more or less frequently at the WERNECKE farm and also BILL WERNECKE was of considerable assistance to her in the operation of their grocery store. She also told of meeting HERBERT HAUPT when BILL WERNECKE'S Mother brought him to their store on June 25, 1942.

p 20, 21, 22, 23, 24, 44, 46) On July 7, 1942 WILLIAM WERNECKE voluntarily appeared at the Chicago office and furnished additional information regarding his association with HERBERT HAUPT, the subject

of this case. WERNECKE was interviewed by Special Agents P. V. ROBE, P. C. DUNNE, AND E. R. FLETCHER. In this interview WERNECKE advised of first seeing HERBERT HAUPT on June 25, 1942 at the home of OTTO DONATH, 629 Webster Avenue. (Same as previously reported by Mr. and Mrs. DONATH). In this interview WERNECKE went over the information as previously submitted to this office on June 28, 1942 when he furnished information to Special Agent G. D. O'CONNOR. WERNECKE was re-interviewed for additional information inasmuch as there were several discrepancies between the information which he had previously volunteered to this office and that which was in the possession of the Chicago office. On his previous interview, WERNECKE failed to advise his connection with MRS. ELIZABETH DILLING and his visit to her office on June 26, 1942, and he also failed to indicate that he was in company with HAUPT at the Trust Company of Chicago on the same morning. WERNECKE advised he would rather not give any information concerning his visit with MRS. DILLING because MRS. DILLING had received enough publicity and he was trying to spare her any embarrassment in connection with this case.

WERNECKE stated that he went to the offices of MRS. DILLING and purchased some literature consisting of nine copies of the "Octopus" an anti-Communist and anti-Semitic book published by and written by MRS. DILLING. WERNECKE refused to discuss at length his association with MRS. DILLING, but stated that he met her approximately three or four years previously. He has associated with MRS. DILLING because she has been fighting the communists and the Jews and WERNECKE has also been engaged in this work. He denied emphatically that he has any connections with MRS. DILLING other than in a social way and that he has not seen her for approximately four months.

On being questioned concerning his association and membership in the Christ Evangelical Lutheran Church, IV, WERNECKE advised that he has been a member of this Church for a number of years. WERNECKE is an ordained Minister of the abovementioned church, having been ordained in April of 1941 by the Board of Allied Christian Management Army. WERNECKE stated that this was the name of the Board of Directors of the Church of which he was a minister.

WERNECKE exhibited his draft card to the agents which reflected that he registered in Lake Forest, Illinois and that his Local Draft Board is located at Libertyville, Illinois. He gave his address as 600 Waukegan Rd. He is presently classified as 4-D which is an ordained minister.

WERNECKE further advised that he and HAUPT had many

arguments prior to HAUPT's leaving Chicago and these arguments concerned German culture. He stated that in all of these arguments concerning German culture he defended the United States while HAUPT defended Germany. He stated that they both agreed that Hitler was a nationalist and WERNECKE thinks that the United States should be nationalistic, however, he feels that it should be nationalistic only insofar as Americans are concerned.

WERNECKE readily admitted that he was anti-Semitic and stated that the Jew is an oriental and should not be allowed to mix with white people. It was his belief that separate state should be set up for the Jews. It was also Wernecke's belief that the negroes should not be citizens and should not be allowed to associate with white people or have the privilege of voting.

WERNECKE advised that his father's name was ARTHUR C. CHADEOURNE, who is presently deceased. He advised that in connection with his name, he was the only child and heir to the WERNECKE estate and due to the pressure brought by the WERNECKE family, his mother had taken back her maiden name and had also changed it to WERNECKE. He stated that the WERNECKES had been loyal American citizens since the early part of the 18th century. The parents of WERNECKE originally came from New Baldwin, Maine.

WERNECKE denied that he had ever been in any trouble with the Chicago Police Department and at first denied that he had ever been arrested. He subsequently admitted that he was arrested sometime in 1939 and was tried in the Criminal Court for assault and battery. This charge was subsequently dismissed. He stated that this case arose in connection with HOMER MAERTZ who was arrested for breaking windows in Goldblatt's Department Store. He felt that the individuals connected with this case were innocent inasmuch as they were being persecuted by the Jews and he became engaged in a fight with the Chicago Police authorities in connection with the arrest of the individuals in this case.

This file is the subject file of MRS. ELLI DONATH, MRS. DONATH moved in November, 1942 because her landlady objected to the continual presence of WILLIAM WERNECKE, subject of a Selective

Service case and friend of HERBERT HAUPT, German Saboteur, in her apartment.

WILLIAM WERNECKE, subject of Selective Service Case, Chicago file 25-5946, Chicago origin, was observed on several occasions in the store and home of MRS. ELLI DONATH. After WILLIAM WERNECKE had been apprehended by the FBI, and his picture appeared in the Chicago newspapers, MRS. DONATH told MRS. WILKINS, who resided in the same neighborhood, that WILLIAM WERNECKE was an innocent man.

MRS. ISABELLE FRAEHELER, 629 Webster Avenue, owner of the house in which DONATH resided, stated that the neighbors stopped going into the subjects' store shortly after WILLIAM WERNECKE's picture appeared in the newspapers.

p 4) HARRY HARRIS, 633 Deming Place, Chicago, who was brought up in the neighborhood and had known subject, MRS. DONATH as the owner of a store in the community for the past ten years, and ALFRED HAGEN, JR., 1049 West Montana, attendant and owner of a gas station located on Webster Avenue directly across the street from the former residence of DONATH, stated that he had seen WILLIAM WERNECKE with MRS. DONATH in her store on many occasions within the last three years. They said he appeared to be practically living with the DONATH family as he seemed to be there practically every day and had on occasion even waited on customers in MRS. DONATH's store.

MRS. BYRON SLEE, 2149 Orchard Street stated she knew of the presence of WILLIAM WERNECKE around the home of MRS. DONATH, and understood from conversation with the subject that WERNECKE was courting the subject's daughter. After WERNECKE was apprehended by the FBI and his subsequent release, he was observed to enter the DONATH home by means of the alley and through the back door so that people in the neighborhood would not observe him visiting in subject's home.

On October 5, 1955, Mr. WILLIAM PINSLEY, Anti-Defamation League, Chicago, Illinois, advised SA LLOYD O. BOGSTAD that MAYNARD NELSEN of the Realpolitical Institute and WILLIAM WERNECKE of the Nationalist Conservative Party are visiting one another. NELSEN recently went horseback riding with WERNECKE at his farm in Illinois. During this ride NELSEN wore his Nazi uniform. WERNECKE has recently purchased a printing press for which is maintained at his residence, 6250 North Wayne Avenue, Chicago, Illinois. PINSLEY believed that both WERNECKE and NELSEN were doing their printing for the above mentioned organizations on this press.

PINSLEY had learned that NELSEN may go to Japan on business for the company he is employed. NELSEN'S wife has recently returned from visiting relatives in Germany.

According to PINSLEY, WERNECKE dislikes FRANCIS PARKER YOCKEY because of his (WERNECKE) conviction on the violation of the SSA, 40 in 1943. WERNECKE believes that YOCKEY may have helped federal authorities in WERNECKE'S prosecution.

PINSLEY had learned that Mrs. WILLIAM COYNE, a sister of YOCKEY, has moved from California and is now residing at 648 Washington, Brookline, Massachusetts.

DATE: November 23, 1955

Re memo to SAC from Supervisor AUGUST KAYNE dated September 20, 1955.

1. The Nationalist Conservative Party reportedly was first started in late 1954 or early 1955. This organization was started and promoted by WILLIAM B. WERNECKE who was a supporter of the German-American Bund and a convicted Selective Service violator. WERNECKE has been in touch with "well known hate elements" in the United States in an attempt to gain a following. The aim of this party is the formation of the third party based on the faults and mistakes of the two major political parties in the United States. As of the present time, this party has not "gelled" and has failed to take hold and attract interest.

2. WILLIAM B. WERNECKE heads the Nationalist Conservative Party.

3. In a strict sense of the word there are as yet no members of this party, however, WEST/HOOKER, Larchmont, New York, and JOSEPH BEAUHARNAIS, Chicago, Illinois, MICHAEL PLUMMER, Chicago, Illinois, and EUSTACE MULLINS, New York, New York and Washington, D.C., have all indicated interest in this organization.

4. In view of the fact that this organization has failed to get started as of the present time, it is recommended that no action be taken at this time concerning the individuals who have expressed an interest in this organization.

II. CURRENT ACTIVITIES

On October 5, 1955, WILLIAM PINSLEY, Anti-Defamation League, B'nai B'rith, 342 South Dearborn Street, Chicago, Illinois, furnished the following information:

MAYNARD NELSEN, of the F.R.ealpolitical Institute, and WILLIAM WERNECKE, head of the NCP, have recently been visiting one another.

WERNECKE has recently purchased a printing press which is maintained at his residence, 6250 North Wayne Avenue, Chicago, Illinois. According to PINSLEY, NELSEN is helping WERNECKE operate this printing press.

On October 10, 1955, PINSLEY furnished the following information:

WILLIAM B. WERNECKE, head of the NCP, continues to send out literature to different parts of the country, hoping to build up a mass following for his newly-formed group. Thus far, WERNECKE has held no public meetings and has concentrated his energies in establishing liaison with similar-minded individuals and groups in this country. Inasmuch as WERNECKE is financially independent, he has not found it necessary to ask for financial support from prospective members.

On November 3, 1955, PINSLEY furnished the following additional information:

WILLIAM B. WERNECKE appears to be the sponsor of EUSTACE CLARENCE MULLINS, who has recently visited the Chicago area. MULLINS is living temporarily at WERNECKE's home, 6250

CG 105-2790

North Wayne Avenue, Chicago, Illinois, where he is assisting WERNECKE in the operation of WERNECKE's printing press.

On December 7, 1955, T-1, who has furnished reliable information in the past, furnished the following information:

[redacted] of Chicago, Illinois, wrote an article consisting of about five hundred to six hundred words entitled, [redacted]

WERNECKE indicated that the NCP would see that this article would reach all of the leading Nationalist newspapers. WERNECKE plans to add SULLIVAN to the Nationalist journalistic staff.

WERNECKE claimed to have given an address before a philosophy class in late November, 1955, at Northwestern University, Evanston, Illinois. The subject of his address was Nationalism. According to WERNECKE, "everything turned out fine!"

Realpolitical Institute

On April 4, 1955, WILLIAM PINSLEY furnished the following information:

The Realpolitical Institute was started by MAYNARD NELSEN in about November, 1954, in Chicago, Illinois. NELSEN's purpose was to create a new political party called the Realpolitical Institute. The platform of this organization is anti-Communist, anti-Semitic, and favored the white race. NELSEN had hoped to gain a following on these issues. This organization failed to get "off the ground," and did not attract interest or a following. NELSEN's main activity in this organization was the occasional circularizing of printed mimeograph sheets in the Chicago area.

MAYNARD ORLANDO NELSEN

The files of G-2, Fifth Army Headquarters, Chicago, Illinois, were reviewed on May 8, 1953 by SA ALEKSO POPTANICH, and disclosed in part the following information:

CG 105-2790

In May, 1947, MAYNARD O. NELSEN, age 23 years, University of Minnesota student, admitted he was the Minneapolis leader of the Democratic Nationalist Party. This party was described as a "hate" group which advocated persecution of racial minorities.

According to G-2, NELSEN formerly resided in Minneapolis, and was arrested in Minnesota in April, 1947, after he admitted placarding the University of Minnesota campus with anti-minority posters.

In October, 1947, NELSEN appeared in Minneapolis attired in a Nazi uniform and carried detailed plans to "overthrow the Government." These plans were not further identified. NELSEN was placed on probation following a hearing that he be placed in an institution. Judge JAMES KEHOE, when discharging NELSEN from parole, stated that NELSEN's "egocentric and inappropriate thinking has disappeared."

The files of G-2 were reviewed on June 30, 1955, and disclosed that NELSEN was a member of the "American Committee for the Advancement of Western Culture," an organization reported to have former top Nazis in its international leadership.

EUSTACE CLARENCE MULLINS

Captain R. R. CLINE, Staunton, Virginia Police Department (this city was MULLINS' former home) advised in 1952 that he had no reason to question the loyalty to the United States of EUSTACE CLARENCE MULLINS, but MULLINS has apparently become a fanatic on writing about Communists.

An anonymous letter was received at the Chicago Office on November 25, 1952, pertaining to material allegedly disseminated by EUSTACE MULLINS in May, 1952. This material pertained to an alleged speech by Rabbi EMANUEL RABINOVICH before a special meeting of the Emergency Council of European Rabbis in Budapest, Hungary, January 12, 1952.

~~CONFIDENTIAL~~

Mrs. JOHN R. APPLEWHITE, 950 North Hampton Drive, Silver Springs, Maryland, in 1951, furnished three printed items to the FBI which were in the nature of anti-Semitic literature:

One folder, purportedly published by the Aryan League of America, describes this organization as a non-profit educational association which publishes and distributes literature on racial and economic questions. Membership was offered at \$1.00. Forthcoming works were to include "Judas in the White House," "Who Owns America," and other "documented essays on treason in America." It was indicated that all communications should be addressed to EUSTACE MULLINS, Director, Aryan League of America, 331 North Lewis Street, Staunton, Virginia. One printed article was headed, "Patriots, Prepare Yourselves!" with the subheading, "Jews Are Betraying Us." This article purportedly originated with the Aryan League of America and the "American Policy Association."

ADMINISTRATIVE

Bulet to Richmond dated 9/10/52 with copies to Chicago sets forth the following additional information concerning EUSTACE CLARENCE MULLINS:

MULLINS was an informant in the case entitled, "RICHARD ANTHONY SHIMKO, wa. ESPIONAGE - R, THEFT OF GOVERNMENT PROPERTY." (Bufile 100-357518)

Investigation was conducted by the Bureau from October, 1948, until March, 1950, but failed to substantiate any of the allegations made by MULLINS against SHIMKO.

During the course of this investigation, MULLINS advised that he met SHIMKO at Washington and Lee University, Lexington, Virginia, in October, 1947, and they decided to collaborate on an anti-Communist book about South America. MULLINS stated that SHIMKO displayed to him what SHIMKO described as "hot" information of a highly confidential nature which he had gather through his work in the Counter Intelligence Corps, Department of the Army.

MULLINS stated that SHIMKO was also desirous of forming a "spy center" in Lima, Peru, to disseminate political information to anyone who would pay for it.

In June, 1948, SHIMKO, MULLINS, and SHIMKO's sister went to San Miguel, Mexico, which MULLINS described as a center of Spanish Loyalist refugees. MULLINS said that SHIMKO associated there with international Communists and sought to influence MULLINS not to write an anti-Communist book, and the partnership was dissolved. MULLINS and SHIMKO had previously agreed to collaborate on an anti-Communist book. The investigation revealed that SHIMKO and MULLINS did, in fact, have a disagreement over their collaboration on the book, but failed to substantiate any of the foregoing subversive allegations.

Careful consideration has been given to the source concealed and a T-symbol was utilized only in that instance where the identity of the source must be concealed.

II. ACTIVITIES

T-1, who has furnished reliable information in the past, advised on January 13, 1956, that WERNECKE was looking for a candidate to represent the NCP to run for State Senator in Illinois. WERNECKE desired a candidate to run in the Republican primary in coalition with the NCP. WERNECKE claims that the NCP needs candidates to run for various elective offices.

On February 16, 1956, T-1, advised that he had not heard of any recent activity of the NCP during the past month.

On February 16, 1956, WILLIAM PINSLEY advised that WILLIAM WERNECKE continues to reside at 6250 North Wayne Avenue, Chicago, Illinois. PINSLEY believed the NCP will become more active as the Democratic and Republican National Convention time approaches which is in the summer of 1956. WERNECKE's current activities consist of sending out "hate" literature for promoting the NCP.

T-2, an agency which collects security information in the Chicago area, furnished the following information on February 16, 1956:

CG 105-2790

On October 24, 1955, an anti United Nations picket demonstration was held at City Hall, Chicago, Illinois, under the auspices of American Rally and the NCP. At this demonstration was JOSEPH BEAUHARNAIS, Head of the White Circle League, who was a picket carrying picket signs. A total of nine pickets were in this demonstration. WILLIAM WERNECKE (former Nazi and convicted draft dodger) carried the flag (type of flag not indicated) during the demonstration. WERNECKE claimed he was a representative of the NCP. At this demonstration, each person carried two signs which read as follows: "Down with the United Nations ruled by Pettifogging sneaks and traitors, the government of these United States in purpose intentioned to secure the enslavement of all people in penalty to business disregarding rights and by subterfuge of given weakness, a strenght against men of intolerances against majorities the laws of prejudices fathering minorities. Sold for thirty pieces of silver all forced against themselves has accepted as worst Romans in defeat to Christendom the commensurate role of betraying the world to Communism. From the World conspiracy."

"We no longer have a U. S. Army or Navy to protect us. Soviet generals in the security council give the orders."

"Nato and Seato are the military arms, - to - force one world government of all people. America arise before our way of life is gone forever."

"United Nations is the sure road to disaster for all free Nations."

"No one world flag must ever fly in America's free sky. We have our own flag and Constitution they've good enuf for real Americans."

"Shame on Mayor Dailey for gobbling the U. N. bait and selling America out to one world government."

CG 105-2790

"This very day our boys are in 60 difeerent countries waiting for the slaughter pens by order of the United Nations. Wake up American Chumps!"

"36 thousand American boys bled and died in the Korean War by order of the United Nations."

"The issued is soverignty escape the U. N. trap. American Rally."

"We protest Chicago's ambitious Mayor organizing our citizenry to support and honor treasonable United Nations. We have our own flag."

"United Nations is the Cyanide book hidden behind Sweet words, Peace - Security - Justice - Human Rights - to lure America to her death."

"America took Bating Hook in 1945. When the U. N. charter was ratified by the Senate & proclaimed by Truman the Supreme Law of the Land."

American Rally

The February 22, 1954, edition of the "Chicago Sun-Times" newspaper contained an article on page 1, column 1, which indicated BURR MC CLOSKEY, National Executive Secretary of the American Rally, helped to form this organization in Detroit, Michigan, in February, 1952, for the purpose of promoting the Presidential candidacy of Brigadier General HERBERT C. HOLDRIDGE (retired). MC CLOSKEY pointed out that the Rally was a coalition of "his" United Labor Party (ULP), HOLDRIDGE's Vegetarian Party and remnants of the technocracy movement.

According to T-3 and T-4, who have furnished reliable information in the past, the dominate leadership of the American Rally comes from the United Labor Party which was a socialist anti-capitalistic organization composed of

CG 105-2790

former members of the Socialist Workers Party, Workers Party, and the Communist Party, which aimed at the establishment of a labor republic based on the idea of production for use and not for profit. It claimed to provide political leadership for the working class.

T-5, who has furnished reliable information in the past, advised that on June 28, 1955, that the American Rally continues to operate as a National Organization based on the following principles:

1. Peace here, now, and on all fronts.
2. Non-violence in organizational action.
3. Abundance by removing artificial restrictions.
4. Constitutional government at all times.
5. Health, as the basis for all wealth.

The National Headquarters are located at 6344 North Broadway, Chicago, Illinois, and most of the activity of this organization is centered around the Chicago area.

This organization lends its support to political candidates on local or national levels whose platforms are in line with the aims of the American Rally. This organization also directs its supports or criticism toward National medical and military issues. According to T-5, BURR MC CLOSKEY made a public statement at a meeting in March, 1955, that the American Rally was not pro-Russian.

White Circle League

The White Circle League was incorporated in the State of Illinois on November 9, 1949. This charter was revoked on June 29, 1952, on the grounds that the literature of the

~~CONFIDENTIAL~~

League "was highly inflammatory and would cause conflict among the races."

According to the organization's charter, it was founded "for the purpose of education, as to customs, civic and social standards, charitable purposes among its members, maintenance of schools therefor, and the dissemination of information and literature which pertains thereto, and to safeguard the property of its members and tax research therein."

Mr. WILLIAM PINSLEY, Fact-finding department and Anti-Defamation League, B'nai - B'rith, 343 South Dearborn Street, Chicago, Illinois, advised on May 24, 1955, that to his knowledge, there was no recent activity in the White Circle League of America, that it was his opinion that the organization was practically non-existent.

Dear Sir:

ALL INFORMATION CONTAINED

DATE 12/2/03 BY 60290-BCE/mx/eh

Per telephone conversation this morning with Agent Millicam of your office, we are enclosing literature received from the Nationalist Conservative Party at 6250 N. Wayne Avenue, Chicago, Illinois.

We have learned that the principal person behind this party is Mr. William B. Wernecke, whose address is the same as that of the party. Mr. Wernecke served a term in federal prison several years ago, according to our information, for activities contrary to the best interests of our country. Many years ago, he succeeded in getting himself installed as a member of our Board of Directors and attempted to obtain our membership lists at gunpoint from the woman who was in charge of that department. He was evicted from his post on our Board and has had no connection with us since.

Because of Mr. Wernecke's background, we believe that the best interests of the country would be served by keeping a careful watch on his party. We know that several private individuals known to be supporters of humane work have been approached by Mr. Wernecke for funds, although the enclosed literature indicates that no payment is required to join his organization.

Very truly yours,

THE ANTI-CRUELTY SOCIETY

J. J. Shaffer,
Managing Director

Section 87E of the Manual of Rules and Regulations reflects that thumbnail sketches must be submitted on all active organizations and those which have become defunct since the last sketch was submitted whether organization is national or local in scope. These sketches must contain the following information:

1-Accurate, clear and concise statements as to:

- A) Formation of organization.
- B) Its aims and purposes.
- C) The extent of domination and control of the organization by the Communist Party.
- D) The current status of the organization.
- E) It must reflect the true nature of the organization at all times from the date of its inception to the present. The date the information was received and the period to which it refers must be set out.

2-Information furnished must be substantiated by live confidential informants or by documentary evidence.

3-Where possible, data from corporation, tax, or other official records relative to the formation or dissolution of the organization and its aims and purposes should be used. (In this regard it should be noted that the Assumed Name Statute file located at the Clerk of County Court Office, Sixth Floor of the County Building, 118 North Clark Street and the Non-Profit Corporation Registration, located in the Secretary of State Securities Department, 188 West Randolph Street, Chicago often contain information concerning front groups. The memo containing the characterization should reflect that these files have been examined). The Non Profit Corporation records in the Secretary of State's Office should be checked to determine if the Corporation is registered as a non-profit Illinois corporation, identity of incorporators, and officers, dates of incorporation, and aims and purposes of the Non Profit Corporation.

CG 100-100-29093

Use of "T" symbols should be kept to an absolute minimum.

No source for information such as the address of the organization should be included in the sketch. (However, when sketches are submitted to the Bureau by separate communication a source for the address should be included).

Sketches should be submitted in memo form to the subject file with a copy to the Chicago Thumbnail Sketch File (100-29093).

A 5 X 8 card should also be prepared and forwarded with the characterization to SA J. WAYNE PARRISH for inclusion in the characterization box. Both memos and cards must contain the informant's identity and reflect that the informant has furnished reliable information in the past.

These sketches should be approved by the supervisor handling the case of the organization and should reach SA J. WAYNE PARRISH no later than May 15, 1956.

b7D

On May 4, 1956, WILLIAM J. PINSLEY, Fact Finding Department, Anti-Defamation League, B'nai B'rith, Chicago, Illinois, advised that the Nationalist Conservative Party was first started in early 1955 by WILLIAM B. WERNECKE, 6250 North Wayne Avenue, Chicago, Illinois, and the party is considered as a one man organization.

The records of the Assumed Name Act file of the Clerk of Cook County, Chicago, Illinois, disclosed that this party was registered under certificate #100439 on January 27, 1955. This certificate disclosed that WILLIAM B. WERNECKE, 6250 North Wayne Avenue, Chicago, Illinois, and Huntley, Illinois, was operating as a political party at 6250 North Wayne Avenue, Chicago, under the name of the Nationalist Conservative Party.

PINSLEY advised that early in 1955 ads appeared in Chicago papers soliciting "Taft Republicans" and "McCarthy Republicans" to come and join the Nationalist Conservative Party.

According to PINSLEY, the literature WERNECKE has circulated states that neither the Republican nor the Democratic Party merit support of "real Americans."

PINSLEY advised that the Nationalist Conservative Party has never been an active organization and the activities have been confined mainly to occasionally sending out literature for promoting the Nationalist Conservative Party.

On 7/18/56, NORMAN KLUECK, reporter for "Chicago American" newspaper, called at the office and was interviewed by me. He exhibited an invitation card which was received by the editor of the "Chicago American" inviting him to join a committee observing the Democratic National Convention. This invitation card bears the following heading: "The Chicago Committee for the Reception of Nationalist Observers at the Democratic National Convention, August, 1956". The card reflected the address 469 West Deming Place, telephone LAke View 5-9721, with ALICE W. JOHNSON as corresponding secretary. The invitation card was signed "MATT KOEHL".

The newspaper reporter KLUECK stated that upon checking the records at the "Chicago American" they located the fact that MATT KOEHL was associated with the National Renaissance Party and information concerning same is contained in the preliminary report on Neo-Fascist and Hate Groups issued by the House Committee on Un-American Activities on 12/17/54. KLUECK stated that he had made a few inquiries but had been unable to locate anyone at 469 West Deming Place who knew either ALICE JOHNSON or MATT KOEHL. He further stated that he had determined that one FRANK WERK, 3039 North Lincoln, Chicago, is allegedly the treasurer of this organization. KLUECK stated that his purpose in coming to the Chicago Office was to determine whether any inquiries they might make might conflict with any investigation this office might conduct. He was advised that there would be no conflict and he was furnished with no information.

In view of the Bureau's inquiry in captioned matter the substance of the above information should be included in the airtel requested by the Bureau.

PINDLER regarded this talk of a disturbance by HARVARD NELSON as "just so much talk", and said that "he is a very weak type of individual and is lacking in intestinal fortitude". NELSON is described in the report entitled, "REALPOLITICAL INSTITUTE, IS - X" of SA LLOYD O. BOGSTAD dated 8/1/55 at Chicago, Bureau file 105-35073.

WILLIAM E. WENDECK, head of the Nationalist Conservative Party, is described in the report entitled, "NATIONALIST CONSERVATIVE PARTY, IS - X" of SA LLOYD O. BOGSTAD dated 10/17/55 at Chicago, Bureau file 105-39508.

as anti-Semitic and pro-segregation in character, and also seemed to be opposed to Communism. According to CASTINGS, F. ALLEN MANN is 18 to 19 years of age, and during the 1955-1956 school year was enrolled at LaGrange Junior College, LaGrange, Illinois.

FOREST A. MANN, father of F. ALLEN MANN, is the owner of the Mann Manufacturing Company, a machine shop, 229 Burlington, Clarendon Hills, Illinois, and was described by CASTINGS as quite well-to-do financially.

Reporter for "Chicago American" newspaper, on 7/18/56 NORMAN KLUBOK, called at the Chicago Office and exhibited an invitation card which was received by the editor of the "Chicago American" inviting him to join a committee observing the Democratic National Convention. This invitation card bears the following heading: "The Chicago Committee for the Reception of Nationalist Observers at the Democratic National Convention, August, 1956". The card reflected the address 469 West Loring Place, telephone Lake View 5-9721, with ALICE W. JOHNSON as corresponding secretary. The invitation card was signed "MATT ROEHL".

KLUBOK stated that upon checking the records of the "Chicago American" he determined that MATT ROEHL was associated with the National Renaissance Party and information concerning same is contained in the preliminary report on Neo-Fascist and Hate Groups issued by the House Committee on Un-American Activities on 12/27/54. KLUBOK stated that he had made a few inquiries but had been unable to locate anyone at 469 West Loring Place who knew either ALICE JOHNSON or MATT ROEHL. He further stated that he had determined that one FRANK WERN, 3039 North Lincoln, Chicago, is allegedly the treasurer of this organization.

The records of the Assumed Name Act file of the Clerk of Cook County, Chicago, Illinois, disclosed that this party was registered under certificate #100439 on January 27, 1955. This certificate disclosed that WILLIAM B. WERNECKE, 6250 North Wayne Avenue, Chicago, and Huntley, Illinois, was operating as a political party at 6250 North Wayne Avenue, Chicago, under the name of the NCP.

PINSLEY advised that early in 1955 ads appeared in Chicago newspapers soliciting "Taft Republicans" and "Mc Carthy Republicans" to come and join the NCP.

According to PINSLEY, the literature WERNECKE has circulated states that neither the Republican nor the Democratic Party merits the support of "real Americans".

PINSLEY advised that the NCP has never been an active organization and the activities have been confined mainly to occasional sending out of literature for promotion of this party.

II. CURRENT ACTIVITIES

A letter postmarked March 8, 1956, Oak Park, Illinois, was received at the Chicago office from an individual who did not disclose his identity. This letter is as follows:

"The writer was on the Federal Grand Jury in 1942 which heard charges against William B. Wernecke-- present address 6250 North Wayne Avenue, Chicago 40, Illinois.

"Treason charges against him were so fully proven that he was interned for the duration, followed by a term in Leavenworth.

"He is now acting as National Chairman, Nationalist Conservative Party, said to have a platform devoted to the abolishment of animal suffering, both physical and mental, and is soliciting membership-- paid--in other states."

On March 8, 1956, T-1, who has furnished reliable information in the past, advised that the NCP, 6250 North Wayne Avenue, Chicago, Illinois, has been sending out literature

CG 105-2790

and communications in the Denver area.

On August 7, 1956, WILLIAM PINSLEY advised that he had heard of no recent activity on the part of the NCP.

On March 15, 1956, T-2, who has furnished reliable information in the past, advised that WILLIAM WERNECKE, head of the NCP, planned to have a scheduled meeting of this organization soon.

On April 30, 1956, and August 1, 1956, T-2 advised that he did not believe there was any activity taking place on the part of the NCP.

On April 13, 1956, J. J. SHAFFER, Managing Director, The Anti-Cruelty Society, 157 West Grand Avenue, Chicago, Illinois, advised SA BENJAMIN F. MILLICAN that WILLIAM B. WERNECKE, head of the NCP, was arrested during World War II for having an arsenal in his house where "Bund" meetings were held.

The German-American Bund has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

By letter dated this same date SHAFFER advised the Chicago office that "many years ago, he (meaning WERNECKE) succeeded in getting himself installed as a member of our Board of Directors and attempted to obtain our membership lists at gunpoint from the woman who was in charge of that department. He was evicted from his post on our board and has had no connection with us since."

According to this letter, several private individuals who are supporters of humane work have been approached by WERNECKE for funds, although WERNECKE does not require any fee to join his organization, the NCP.

Planned Disturbance at the
Democratic National Convention

On June 28, 1956, T-3, whose reliability has not been determined but who is in a position to know of WERNECKE's activities, advised that MATT KOEHL, MAX NELSON and F. ALLEN MANN are associated of WILLIAM WERNECKE. According to informant, NELSON is heading a Fascist group, including WERNECKE and KOEHL,

CG 100-105-2790

who are planning some type of disturbance at the National Democratic Convention in order to gain publicity and generally harass the Democratic gathering in Chicago.

WERNECKE's Associates

According to T-3, the following are WERNECKE's associates:

MAYNARD "MAX" NELSEN

WILLIAM PINSLEY, Anti-Defamation League, B'nai B'rith, 343 South Dearborn Street, Chicago, advised on February 16, 1955, that MAX NELSEN, who is head of the Realpolitical Institute, resides with his wife (name unknown) at 1914 West School Street, Chicago, Illinois.

The files of G-2, Fifth Army Headquarters, Chicago, were reviewed on May 8, 1953, by SA ALEKSO POPTANICH and disclosed the following information:

In May, 1947 MAYNARD O. NELSEN, age 23, University of Minnesota student, admitted he was the Minneapolis leader of the Democratic Nationalist Party. This party was described as a "hate" group which advocated persecution of racial minorities.

According to G-2, NELSEN formerly resided in Minneapolis and was arrested in Minnesota in April, 1947 after he admitted placarding the University of Minnesota campus with anti-minority posters. In October, 1947 NELSEN appeared in Minneapolis attired in a Nazi uniform and carried detailed plans to "overthrow the government". These plans were not further identified. NELSEN was placed on probation following a hearing that he be placed in an institution. Judge JAMES KEHOE, when discharging NELSEN from parole, stated that NELSEN's "egocentric and inappropriate thinking has disappeared."

MATT KOEHL

On July 17, 1956, T-4, who has furnished reliable information in the past, advised that MATT KOEHL, a former member of the National Renaissance Party, is presently residing in Chicago and is working with MAX NELSON, leader of the Realpolitical Institute.

~~CONFIDENTIAL~~

CG 105-2790

The National Renaissance Party

T-4 advised on May 19, 1955, that the National Renaissance Party at present is a neo-Nazi, anti-Semitic, anti-Negro organization with activities generally confined to the New York area. Informant stated that the National Renaissance Party's leader and founder is JAMES H. MADOLE, and its principal financial contributor is FREDERICK WEISS. The National Renaissance Party was the subject of a preliminary report on the neo-Fascist "hate" groups published by the Committee on Un-American activities on December 17, 1954, which stated that this neo-Fascist group's activities and propaganda are clearly subversive and un-American.

Realpolitical Institute

On April 4, 1955, WILLIAM PINSLEY, Anti-Defamation League, advised that the Realpolitical Institute was started by MAYNARD NELSEN in late 1954 in Chicago. NELSEN's purpose was to create a new political party called the Realpolitical Institute. This organization is anti-Communist, anti-Semitic, and favors the white race. NELSEN hoped to gain a following for his party on these issues.

According to PINSLEY, this organization has failed to get "off the ground" and does not attract interest or a following. NELSEN's main activity in this organization has been the occasional circularizing of printed mimeographed sheets in the Chicago area.

F. ALLEN MANN

On May 1, 1956, Mr. GAYLORD CASTINGS, owner of the Hinsdale Press, 118 West First Street, Hinsdale, Illinois, advised that F. ALLEN MANN is 18 to 19 years of age and resides in Hinsdale. The 1955 Kansas City, Kansas city directory and the 1956 edition of the Southwestern Bell Telephone Co. for the Greater Kansas City area, contained no listing for a TRACY MC CORD. The Kansas City, Kansas, city directory reflects that the occupants of 1321 Freeman Avenue, are JACOB E. and ANNA ODESSKY.

On 11/27/56, A. H. CLARK, Postal Carrier, Kansas City, Kans., whose identity should be protected, advised SA JACK H. PORTER that he knows of no one residing at 1321 Freeman other than Mr. and Mrs. JACOB ODESSKY, who have resided at that address for the last ten years. He stated he recalls having delivered a letter to that address for a TRACY MC CORD. He stated that he had made inquiry at that time if the letter should be left and JACOB ODESSKY stated that it could and gave Mr. CLARK the impression that he would forward it to MC CORD.

CAROL AULGER, 1322 Freeman, advised SA JACK H. PORTER on 11/30/56, that the only occupants of 1321 Freeman are Mr. and Mrs. JACOB ODESSKY. She stated that the ODESSKYS have two daughters and one son. She advised that one of the daughters was unknown to her, that one is Mrs. S. J. VITKO, and the son's name is ROBERT. She

KC 62-7278

stated that ROBERT has been gone from home for at least the past seven or eight years and to her knowledge has only visited on a few occasions since that time. She was under the impression that ROBERT had been there for a few days this past summer.

VALENTINE MUNZO, 1501 Freeman, furnished SA JACK H. PORTER on November 30, 1956, substantially the same information as Miss AULGER.

MYRTLE JACKSON, Clerk, Kansas City, Kansas, Police Department, and Miss LENA SMITH, Clerk, Kansas City, Missouri, Police Department, advised SA JACK H. PORTER on November 27, 1956, and December 3, 1956, respectively, that their files contain no arrest records identifiable with TRACY MC CORD, JACOB ODESSKY, or ROBERT ODESSKY.

Ref. The indices of the Kansas City Office contain no references identifiable with TRACY MC CORD or the Nationalist Conservative Party. The only information contained in the Kansas City indices pertains to ROBERT ODESSKY and is the information contained in referenced report.

A copy of Miami's report, referenced above, is being transmitted herewith to the Chicago Office for information purposes, inasmuch as referenced letter reflects that the National Conservative Party is located in Chicago, Illinois.

The above ^{information} is being transmitted to the Miami Office for information purposes, inasmuch as TRACY MC CORD may be identical with ROBERT IVAN ODESSKY.

No further investigation is being conducted by the Kansas City Office.

Cite Bundist Ties, Bar Gun Permits

Police Comr. Timothy J. O'Connor has revoked special police commissions to three agents of the American Humane Society with headquarters in the home of a former German-American Bund leader.

The action was taken Wednesday after police learned the society's headquarters at 6250 N. Wayne was also the home of William H. Wernecke, convicted draft dodger.

Issued In October

The special police commissions, permitting the carrying of guns, were issued Oct. 18 to Wernecke's wife, Ruth; Victoria Strecker, of 1705 W. Diversey, and Edith Drane, of 2453 N. Halsted.

The directors of the organization include Joseph B. Beauchamp, founder of the White Circle League of America, an anti-Negro group, and Mrs. Lyril Clark Van Hyning, president of We the Mothers, World War II organization opposing American foreign policy at the time.

The society was chartered by Illinois April 11, 1956.

O'Connor said that the special police commissions were issued to the organization and its agents as a routine matter. Such commissions under the

Arming The Native Fascists — an editorial, Page 35.

law may be given to agents of animal welfare organizations to enable them to carry guns and make arrests in connection with acts of cruelty toward animals, he said.

Can Revoke Commissions

O'Connor said under the law he can revoke the special commissions at will. He added he withdrew the permits when he learned of Wernecke's conviction and former Bundist connections.

Wernecke's organization has no connection with any of the recognized animal protective associations such as the Anti-Cruelty Society and the Animal Welfare League, O'Connor said.

Police Lt. John Nelligan, police personnel director, who investigated the Wernecke organization, said that he found no evidence of any animals at the Wayne Av. address.

Arming The Native Fascists

Three gun-carrying permits that never should have been issued in the first place have now been revoked by the Police Department. The permits to carry concealed firearms were issued in October to three women agents of an outfit linked to some of Chicago's almost forgotten fascist figures.

The organization is the so-called American Humane Society, Inc., which alleges to be interested in animal welfare work. The society's headquarters are in the home of William B. Wernecke, convicted World War II draft dodger and former German-American Bund leader. Wernecke's wife, Ruth, is one of the agents who received special police commissions entitling them to pack guns.

One of the society's directors is Joseph Beauharnais, founder of the White Circle League of America, who was convicted and fined for peddling anti-Negro literature. Another director is Mrs. Lyrle Clark Van Hyning, onetime president of We, the Mothers, Inc., a crackpot isolationist group which advocated letting the Nazis conquer Europe by default in World War II.

Presumably, Beauharnais, the hate-peddler, has a more tender regard for the welfare of animals than he has for the welfare of some of his fellow humans, but it strikes us as a point worth investigating.

The special police commissions issued two months ago to Mrs. Wernecke and two other women, Victoria Strecker and Edith

Diane, not only authorized the carrying of guns but also gave them power to make arrests in cases involving cruelty to animals. Such commissions have been issued in the past to agents of the well-established and well-known Animal Welfare League and the Anti-Cruelty Society.

It is gratifying, of course, that the Police Department belatedly investigated the issuance of the commissions to Mrs. Wernecke and her two companions and finally revoked them. But it seems to us that the investigation might better have been undertaken when the applications for the commissions were first filed, particularly since one of the applicants—who was turned down—had a police record.

Meantime, the Board of Health might also investigate to determine whether the maintenance of an animal shelter in the Wernecke home complies with health and sanitation rules—provided that there is an animal shelter.

We have no evidence that the American Humane Society, Inc., is plotting the overthrow of our government, or that it could succeed in the task in any event. But we do question the wisdom of letting associates of Wernecke and Beauharnais—even women associates—carry concealed firearms under the auspices of the Police Department. Somebody goofed and it shouldn't be permitted to happen again.

SPECIAL POLICE AUTHORITY TO 3 BRINGS INQUIRY

Women Are Holders of Commissions

Lt. John Nelligan, personnel director of the Chicago police department, yesterday began an investigation of special police commissions given to personnel of the American Humane Society, Inc., 6250 Wayne av. This address is the home of William J. Wernecke, former German-American Bund leader and convicted draft dodger.

The special commissions allow agents of the organization to carry guns and to make arrests pertaining to cruelty to animals and are the only exceptions made by the city to the rule that only policemen have the right to carry concealed firearms.

Issued to Three Women

Three members of the society got the police commissions last Oct. 18, Nelligan disclosed. They are Wernecke's wife Ruth of the Wayne av. address; Victoria Strecker, 1705 Divisadero pkwy. and Edith Drane, 2453 N. Halsted st.

Nelligan said that a fourth applicant was turned down when it was found that he had a police record. All of the applicants were fingerprinted and processed thru the police bureau of identification.

Wernecke admitted the organization has no official connection with the Animal Welfare league and the Anti-Cruelty society, veteran service organizations whose agents also have police commissions and police powers.

Beauharnais Is Director

Directors of the American Humane Society, Inc., include Joseph B. Beauharnais, former president of the White Circle League of America, accused of attempting to arouse hatred toward the Negro race, and Mrs. Lyril Clark VanHynning, president of the We The Mothers Mobilize for America, a militant World War II organization opposed to interventionist foreign policy.

One of three legal advisers of the society is David Landau, who testified against Ira Latimer, a former Communist party member who renounced communism in 1947, in Latimer's recent bid to be admitted to the practice of law in Illinois.

Latimer has charged that Landau has been serving the Communist conspiracy, altho Landau has testified under oath that he never was a Communist.

Wernecke said he helped organize animal welfare organizations in Chicago in 1932 and had been active in the work for years. He said his organization had little to spend, but did "a lot of work."

BRADY MURPHY that he, WERNECKE, endeavored to obtain membership in the Silver Shirt Legion of America but was unable to secure membership in this organization inasmuch as he was a member of the German-American Bund. Activities of NCP
Elsewhere in United States

On October 19, 1956, R. E. LAKE, Classified Ad Manager, The Dallas Times Herald, Dallas, Texas, advised SA ROBERT P. GEMBERLING that his office had received a post card from Kansas City, Kansas, dated October 9, 1956, an order to insert the following ad on October 21, 1956, under the caption, "Business Opportunities":

"Investors with a political economy turn of mind: Micro-Sociologist desires financial assistance for the promotion of a scientifically evaluated policy which will progressively enhance economic solidarity within a pseudo-liberal matrix. Contact Mr. Tracy McCord, 1321 Freeman Avenue, Kansas City 2, Kansas."

Mr. LAKE indicated his office returned this ad for more information, and in a letter dated October 13, 1956, from Mr. TRACY MC CORD, MC CORD advised that he was an organizer for the NCP, National Headquarters at 6250 North Wayne Avenue, Chicago, Illinois. LAKE advised this letter indicated that MC CORD was seeking financial aid for the establishment of an NCP chapter in Dallas, Texas, and that he desired to place this ad in the October 21, 1956 (Sunday) edition of the Dallas Times Herald.

Mr. LAKE advised that his newspaper was going to refuse to run this ad for policy reasons.

The files of the Dallas Office disclose no other information concerning TRACY MC CORD.

JACK T. GUNNELS, 724 South Haskell, Dallas, Texas,
by letter dated November 26, 1956, furnished the Dallas Office
with a copy of a mimeographed letter which is as follows:

"NATIONALIST CONSERVATIVE PARTY
6250 North Wayne Avenue Chicago 40, Illinois

"Wm. B. WERNECKE
NATIONAL CHAIRMAN

"Gentlemen:

"The Nationalist Conservative Party was founded in
1954 by Patriotic Americans who realized the need for a third
Party for the reasons that both the Republican and Democratic
Parties have become internationalized and infiltrated by
Communists, Socialists, New Dealers, Fair Dealers, Bureaucrats,
and coarse, rough-neck, rabble rousing Labor Leaders.

"We founders of the Nationalist Conservative Party
feel a burning need to organize and save our Country. The
Republican and Democratic Parties have so exploited, taxed,
milked and weakened the body politics of the United States
of America that the time has come when the Goose that laid
the Golden Egg is dying.

"The Nationalist Conservative Party is motivated
by only the highest and Patriotic ideals and composed of
men who believe honor, country and decency to be their only
purpose.

"We denounce and condemn the middle of the road, fence-
straddling policy of the Republican and Democratic Parties and
we earnestly ask your support and your pledge of membership.

"This briefly tells you something of the new Third
Party which is an extreme Right Wing Party.

CG 105-2790

"Enclosed are two printed sheets which describe the type of political philosophy which the Nationalist Conservative Party opposes and further describes the type of Political philosophy with which we agree.

"Very truly yours,

"NATIONALIST CONSERVATIVE PARTY

Efforts to Identify
TRACY MC CORD

The 1955 Kansas City, Kansas, city directory and the 1956 edition of the Southwestern Bell Telephone Company for the Greater Kansas City area, contained no listing for a TRACY MC CORD. The Kansas City, Kansas, city directory disclosed a listing for the occupants of 1321 Freeman Avenue as JACOB E. and ANNA ODESSKY.

On November 27, 1956, T-1, who holds a responsible position, advised that he knew of no one other than Mr. and Mrs. JACOB ODESSKY living at 1321 Freeman Avenue, and the ODESSKYS have lived there for the past ten years. According to T-1 a TRACY MC CORD has received mail at this address.

On November 30, 1956, CAROL AULGER, 1322 Freeman, advised SA JACK H. PORTER that Mr. and Mrs. JACOB ODESSKY are the only occupants of 1321 Freeman. AULGER advised that the ODESSKYS have two daughters and one son. She indicated that one of the daughter's names was unknown to her, that one is Mrs. S. J. VITKO, and the son's name is ROBERT. AULGER stated that ROBERT has not lived with his parents for the past seven or eight years and only visits with them on occasions.

On November 30, 1956, VALENTINE MUNZO, 1501 Freeman furnished information to SA PORTER which confirmed the information furnished by Miss AULGER.

CG 105-2790

MYRTLE JACKSON, Clerk, Kansas City, Kansas, Police Department, and Miss LENA SMITH, Clerk, Kansas City, Missouri, Police Department, advised SA PORTER on November 27, 1956, and December 3, 1956, respectively, that their files contain no arrest records identifiable with TRACY MC CORD, JACOB ODESSKY, or ROBERT ODESSKY.

The files of the Kansas City Office disclose no other information concerning TRACY MC CORD or the NCP.

Activity in Chicago Area

On March 7, 1957, T-2, an agency which collects security information in the Chicago area, advised they had no information as to the activity of the NCP since 1955.

Source had heard of no activity in the past year concerning the NCP.

(T-3, March 8, 1957)

On March 6, 1957, WILLIAM PINSLEY advised that he had heard of no activity of the NCP during the past year, and believed WERNECKE's activity in this organization to be dormant. PINSLEY advised that WERNECKE's recent activity has been in a new organization which he, WERNECKE, founded called the American Humane Society.

American Humane Society

PINSLEY advised that WILLIAM WERNECKE's recent activity has been directed towards an organization called the "American Humane Society", whose purpose is to oppose cruelty to animals in the Chicago area. This organization, according to PINSLEY, charges that several existing humane societies in the Chicago area have for the past 30 years purposely avoided giving any attention to the stockyards, medical laboratories, cattle trucks, poultry slaughter houses, and dog pounds, that have been illegally killing and tormenting animals in violation of laws of the State of Illinois.

CG 105-2790

The American Humane Society, according to PINSLEY, plans to take immediate action upon those responsible for cruelty to animals and to prosecute them in court. WERNECKE's organization has no connections with any of the recognized animal protective organizations.

According to PINSLEY, the respected, "American Humane Society" has filed court action against WERNECKE's organization by the same name challenging its right in using this name. WERNECKE recently secured a new charter for his group and he now plans to call his organization the "United States Humane Society."

ADMINISTRATIVE

Referenced Kansas City letter to Chicago entitled "TRACY MC CORD, NATIONALIST CONSERVATIVE PARTY, MISCELLANEOUS - INFORMATION CONCERNING," advised that TRACY MC CORD may be identical with ROBERT IVAN ODESSKY. Therefore, Kansas City furnish Chicago a copy of the report of SA GEORGE E. DAVIS, JR., dated December 7, 1955 at Miami, entitled, "ROBERT IVAN ODESSKY, was., IS - CUBA."

This report discloses that ODESSKY reportedly wrote a letter to the Secretary of the Cuban Communist Party in September, 1955 requesting an appointment "to discuss some matters of the utmost mutual importance." ODESSKY was interviewed by Bureau Agents in the Miami Office in November, 1955, and advised that he was born April 3, 1922, at Kansas City, Missouri, and the son of JACOB and ANNA ODESSKY, now residing at 1321 Freeman Avenue, Kansas City, Kansas. ODESSKY denied ever having been a member of the Communist Party or active on behalf of the Communist Party, and claimed to be anti-Communist. ODESSKY claims to be a professional "con-man", and cited several instances of confidence games he has perpetrated.

No effort is being directed to conduct any additional investigation in this matter.

Careful consideration has been given to each source concealed and "T" symbols were utilized in this report only in those instances where the identity of the source must be concealed.

Reurlet and memorandum dated March 29, 1957, captioned "The American Humane Society, Inc., aka. American Society for the Prevention of Cruelty to Animals, U. S. Humane Society, IC-X."

The title of this case is being changed to reflect the name by which the organization is currently known.

As you are aware William B. Wernecke, chairman of captioned organization, is head of the Nationalist Conservative Party which has recently become inactive.

A review of relet and memorandum fails to reflect why Wernecke formed captioned organization. Bufiles fail to reflect that Wernecke has been interested in the field covered by captioned organization in recent years, although many years ago he did serve as a member of the board of directors of The Anti-Cruelty Society in Chicago. He was expelled from this society after he allegedly attempted to obtain its membership list at gun point.

A review of referenced memorandum reflects that the majority of the individuals associated with Wernecke in captioned organization have in the past been members of various "hate groups," and that some of them, as a result of their affiliation with the U. S. Humane Society, were granted temporary special police commissions authorizing them to carry firearms and to make arrests. In view of the above facts it is possible that Wernecke may have had an ulterior motive and purpose in organizing the U. S. Humane Society. You should conduct appropriate discreet inquiries to determine Wernecke's reasons for organizing this group and to determine if his current interest in this field is legitimate. Submit the results of your inquiries in 105-2790-3290-55 this regard to Bureau in memorandum form suitable for dissemination.

addition, the agent should have a 5" x 8" card prepared containing the new or revised characterization for inclusion in the characterization box. Both the card and the memo must contain the informant's identity and reflect that this informant has furnished reliable information in the past. These sketches should be approved by the supervisor handling the investigation of the organization and both the memo and the 5" x 8" characterization card should be submitted to reach SA WILLIAM L. EDDY no later than May 10, 1957 and should contain the name of the agent submitting same and the date the thumbnail sketch was prepared by him.

In connection with thumbnail sketches, Section 87E (6) contains the following instructions:

a. Submit thumbnail sketches:

(1) Annually by June 1 on all active organizations and on those which have become defunct since submission of last annual sketch, whether national or local in scope. No sketch should be submitted if existing sketch shows organization out of existence and no data received indicating organization reactivated. If sketch previously forwarded fulfills all requirements other than bringing up to date by recontact of informants, it is not necessary to restate entire sketch but is sufficient to advise that confidential informants (designate which informants and date of contact) were contacted and reiterated data previously given.

b. Thumbnail sketches should contain:

(1) Accurate, clear, and concise statements as to the formation of organization, its aims and purposes, period and extent of domination and control by Communist Party, and current status

(2) Information substantiated by live qualified confidential informants or documentary evidence

CG 100-29093

(3) Where possible, data from corporation, tax, or other official records relative to the formation or dissolution of the organization and its aims and purposes

(4) No source for such information as address of organization. However, source should be shown in letter transmitting sketch to Bureau.

(5) No unnecessary T symbols. Use of T symbols must be held to absolute minimum and each sketch submitted should be accompanied by statement that careful consideration has been given to sources concealed and T symbols used only where absolutely necessary. This statement also required where field is not furnishing new sketch but is advising the one previously forwarded fulfills all requirements.

In addition to the above instructions concerning organizations currently in existence, it should be noted that in some instances revised thumbnail sketches must be prepared on defunct organizations. Revisions on defunct organizations are necessary when the status of the informant who has previously furnished information concerning the organizations has changed. For example, when a SI or PSI (etc.) has furnished information concerning an organization and he is later deleted as an informant (etc.), the thumbnail sketch should be changed to reflect his current status as a former SI who has requested that his identity continue to be protected or whatever descriptive information is necessary.

It is again reiterated that the new thumbnail sketches or revisions must be prepared to reach SA EDDY by May 10, 1957.

Office Memorandum • UNITED STATES GOVERNMENT

SUBJECT: NATIONALIST CONSERVATIVE PARTY

DATE: May 9, 1957

Re office memorandum of SA WILLIAM L. EDDY dated April 30, 1957, captioned "Thumbnail Sketches of Subversive Organizations, IS - C."

On May 6, 1957, WILLIAM PINSLEY, Fact Finding Department, Anti-Defamation League, B'nai B'rith, Chicago, Illinois, advised that the Nationalist Conservative Party (NCP) was first started in early 1955 by WILLIAM B. WERNECKE, 6250 North Wayne Avenue, Chicago, Illinois, and the party was considered a one man organization.

The records of the Assumed Name Act file of the Clerk of Cook County, Chicago, Illinois, disclosed that this organization was registered under Certificate No. 100439 on January 27, 1955. This Certificate disclosed that WILLIAM B. WERNECKE, 6250 North Wayne Avenue, Chicago, Illinois, and Huntley, Illinois, was operating as a political party at 6250 North Wayne Avenue, Chicago, under the name of the NCP.

According to PINSLEY, ads appeared early in 1955 in Chicago newspapers soliciting "Taft Republicans" and "McCarthy Republicans" to join the NCP. The main activity of the NCP was sending out literature which was circulated by WERNECKE. This literature stated that neither the Republican nor the Democratic Party merits support of "real Americans."

This organization, according to PINSLEY, has never been an active organization and PINSLEY has heard of no activity of the NCP in the past year and believed this organization to be dormant.

Oust Bund Chief from 2 Slums

3-Year Fight Won by City

A receiver Tuesday took over operation of two North Side tenements managed by former German American Bund leader William B. Wernecke.

Appointment of the receiver Monday by Judge George M. Fisher in Superior Court climaxed a 3-year fight by the city to force repair of the buildings.

The buildings are located at 876 N. Wells and 930 N. Wells.

W.B. WERNECKE

Wernecke, 48, headed the German American Bund in Chicago before World War II and was convicted as a draft dodger in 1943.

WERNECKE, who now operates a real estate firm from his home at 6250 N. Wayne said the buildings are owned by a Miss Evelyn Lundquist of Huntley, McHenry County. He insisted he merely collects rent.

Irving Wexler, assistant corporation counsel, said that an investigation failed to confirm that there is such a person as Miss Lundquist.

The corporation counsel filed suit for receivership against Wernecke under a 1956 amendment to the city code which permits action against rent collectors when the building's owners cannot be found.

Outside of court, Wexler described the buildings as "rat infested" and overcrowded.

WERNECKE also operates the "American Humane Society" in his home, an organization chartered by the state but having no connection with the Animal Welfare League.

In February Corporation Counsel John P. Melaniphy recommended repeal of a city ordinance permitting humane officers like Wernecke to carry guns because he said the city could be sued if Wernecke shot someone.

This certificate disclosed that WILLIAM B. WENDCKE, 6250 North Wayne Avenue, Chicago, Illinois, and Huntley, Illinois, was operating this organization as a political party.

On May 16, 1955, a source, ~~who has furnished reliable information in the past~~, furnished literature distributed by the NCP which described the aims and purposes of the NCP as favoring the capitalistic system in this country, advocating the incarceration of all corrupt labor union officials, the dissolution of corrupt unions and demanding the full privilege of the "open shop" to all Americans. The NCP was opposed to gifts of assistance to any nation and to United States participation in the United Nations. The NCP also favored a rigid government controlled economy, looking to a balanced budget and reduced debt.

On May 6, 1957, and June 27, 1957, WILLIAM PLECEY, Past Finding Department, Anti-Defamation League, B'nai B'rith, 243 South Dearborn Street, Chicago, Illinois, advised that WILLIAM WENDCKE was a former member of the German American Bund and had founded the NCP in an attempt to organize a third political party. According to PLECEY, this organization has not been active since the Spring of 1956 and is now defunct.

BOMBINGS AND ATTEMPTED BOMBINGS
IN SOUTHERN COMMUNITIES
RACIAL MATTERS

ReBuairtel to all continental offices dated October 13, 1958, captioned "Informant Coverage In Organizations Which May Be Engaged In Violent Activities Involving Minority Groups" and SAC Letter 58-63 dated October 13, 1958, dealing with press statements in bombing cases having apparent racial or religious basis.

In carrying out our responsibilities to give full assistance to local police departments and in determining whether any Federal violations under the Bureau's jurisdiction exist with respect to bombings and attempted bombings, there is a possibility that "hate" groups such as the Washington White Citizens Council, the National States Rights Party and the Confederate Underground may be involved either in the planning of or the actual carrying out of these terroristic activities. As a part of our over-all investigative effort to determine the identities of those responsible for the bombings, the Bureau has initiated a program of immediately launching intensive investigations of "hate" groups. It should be kept firmly in mind at all times that the primary purpose of the intensive investigations of these "hate" groups is to determine whether the leaders or members of these groups are involved in any way in the bombings which have taken place since January 1, 1957.

In order to assist the field, the Bureau has compiled the following list of known "hate" groups for use in implementing this program.

This organization was promoted in 1953 by the National Renaissance Party and like this organization, was strongly anti-Semitic and pro-Nazi. Investigation was discontinued in 1953 due to inactivity of the organization.

Christian Anti-Jewish Party
65-15743

(Atlanta)

CG FILE 100-26824

This organization was founded in Atlanta, Georgia, in 1945, by Jesse B. Stoner, a former member of the Associated Klans of America. This organization is anti-Negro, anti-Jewish and a strong advocate of white supremacy.

Christian Educational Association
of Union, New Jersey
105-9621

(Newark)

CG FILE 105-2503

The Christian Educational Association is the publisher of "Common Sense," formerly known as "Think Weekly." The address of its publisher, Conde McGinley, is 530 Chestnut Street, Union, New Jersey, and the publication itself is a biweekly newspaper with a fluctuating circulation of between 30,000 and 100,000 copies. The material in "Common Sense" has been described as some of the most vitriolic hate propaganda ever published and generally "Common Sense" depicts communism as Judism and devotes its pages almost exclusively to attacks on the Jewish, and to a lesser extent, the Negro minorities.

Christian Nationalist Crusade,
also known as Christian Nationalist
Party of America
62-43818

(Los Angeles)

CG FILE 105-262

The Christian Nationalist Crusade was organized in St. Louis, Missouri, in 1947 and has its headquarters at the present time in Glendale, California. This organization, as well as its subsidiary organization, the Christian Nationalist Party of America, reflects the imprint of its director, Gerald L. K. Smith, whose basic argument has been that the United States is threatened by anti-Christian and racially mongrelizing forces such as communism and internationalism, all dominantly motivated by international Jewry. While it is not known whether Smith and his close associates have inclinations to illegal action, the tenor of their public statements and programs is intensely anti-Semitic.

indirect negative

Allegations have been received during July, 1958, that this group was involved in racial bombings in Miami, Birmingham, and Nashville. Its head is allegedly Jesse B. Its activities are being discreetly checked to determine whether these activities bring the movement under the provisions of Executive Order 10450.

The main purpose and objective of this organization, which was formed in 1951 with headquarters in St. Louis, is advocacy of racial segregation and opposition to racial integration. Its constitution calls for the preservation of the purity of the white race in America by maintenance of the separation of the races. This organization published two monthly periodicals entitled "The White Sentinel" and "White American News Service." It has been reported that the organization has had no success in the establishment of chapters throughout the United States but that it continues to publish and distribute large amounts of anti-Negro printed matter.

This organization has been designated by the Attorney General pursuant to Executive Order 10450. Pelley served a Federal sentence for his activities and since his release in 1950, has been printing material of a noncontroversial nature. "Williams Intelligence Summary"

(Los Angeles)

b-refs - no mem file

This publication is a monthly news letter of obvious
anti-Semitic nature prepared by Robert H. Williams, Santa Ana,
California. Williams claims to have vast experience in the
intelligence field dealing with the communist menace. However,
pertinent records reflect he was associated in a limited capacity
with Air Force Intelligence during World War II. Material printed
by Williams is often reprinted in "hate" publications such as
"Common Sense."

Each office of origin of the groups listed above should
launch an immediate investigation to determine whether these groups
could be connected in any way with any of the bombings which have
occurred since January 1, 1957. In order to accomplish this, it will
be necessary to determine the present leaders and membership of the
groups and to establish the pattern of their activities during the
pertinent period, that is whether they have advocated violence or
are of such a radical nature as to present a potential for violence.
These cases must be assigned to mature, experienced Agents and must
receive the personal supervision of the Assistant Special Agent in
Charge or Special Agent in Charge. Careful planning must go into
the approach to these investigations and it is expected the appropriate
initiative and ingenuity will be exercised to achieve results.
Sufficient manpower must be assigned in order that all investigation
may be handled promptly and a determination can be made as to whether
any of these groups are involved in the bombings. You must, of course,
comply with instructions set forth in reairtel to develop sufficient
informant coverage so that you will be advised on a continuing basis

Re: BOMBINGS AND ATTEMPTED
BOMBINGS IN SOUTHERN COMMUNITIES

Each office of origin must advise the Bureau within ten days of receipt of this communication that an investigation has been launched of the groups in its jurisdiction together with an outline of the investigative plan and the number of Agents assigned to carry out the investigation. Thereafter, reports must be submitted each thirty days until the Bureau advises to the contrary or until the group under investigation has definitely been eliminated as having any connection with the bombings. Of course, any significant development in the case should be promptly furnished to the Bureau by whatever means of communication deemed warranted. All communications and reports submitted concerning a specific group should bear the title of the group with the character Internal Security - X; Racial Matters. The original and four copies of reports must be submitted.

In connection with the over-all program, all offices must search their indices to determine whether there are other "hate" groups than those listed above. In the event any such groups are located in the search of the files the Bureau should be promptly advised of the identity of the group together with a statement as to whether investigation is being initiated. If investigation is not to be undertaken, complete justification for not so doing should be included in the communication to the Bureau.

All offices except the offices of origin in the groups listed above should search their files for information concerning the above-listed groups and promptly furnish such information, where not previously done, to the Bureau and the offices of origin. In addition all offices should contact logical informants and sources in order to develop any information available concerning the possible identities of individuals who may have some connection or knowledge of the bombings which have taken place since January 1, 1957. The Bureau should be advised by October 28, 1958, the results of file searches and the contacts with logical informants and sources and all offices should continue to be alert for and alert their logical informants and sources to promptly bring to their attention any pertinent information concerning bombings and attempted bombings. Such information should be promptly reported to the Bureau.

This is a program, which if exploited to its full potential, could well lead to the solution of the bombings. Therefore, it must receive continuous and expeditious attention.

Los Angeles files likewise disclose no information concerning FREDERICK JOHN KASPER and JESSE B. STONER not known to the Bureau and the offices of origin.

It has, of course, been brought to this office's attention in the past few years that literature issued by certain of the above organizations, namely, the Christian Educational Association, the Christian Patriots Crusade, the National Citizens Protective Association, and the National Renaissance Party (most commonly the first mentioned), has been distributed, usually by unknown persons via mail and under circumstances indicating no effort to organize branches in the Los Angeles area.

The literature concerning the National Renaissance Party has been invariably small, poorly done, mimeographed leaflets discovered during the past year inserted between the pages of books in school and public libraries in the Los Angeles vicinity, alluding to no local address or activities but attempting to interest the reader in subscribing to the organization's "Bulletin."

Of possible interest is a news article that appeared in the Los Angeles "Mirror News" dated January 18, 1955, which mentions that the National Renaissance Party had come to the attention of the House Committee on Un-American Activities, which had, in a report on "hate groups", stated one JAMES R. WHITE, billed as an "organizer" for the NRP in Los Angeles, had been a guest speaker at a meeting of the NRP in Yorkville, New York, on June 26, 1953; that WHITE had allegedly organized a fully uniformed group "in his city" and had distributed thousands of copies of the NRP's "Bulletin." The article suggested the House Committee had given WHITE "unduly high notice," adding that "whatever activities he may have engaged in for the NRP in the past now are pretty much discontinued," and that in any event WHITE had departed Los Angeles to attend the Hastings School of Law in San Francisco. In connection with this news item, it is interesting that none such mentioned activities on WHITE's part had previously come to this office's attention, and presumably were greatly exaggerated, if not total falsehoods.

The following is submitted for the Bureau's consideration in regard to the organizations mentioned in rebuairtel as existing in the Los Angeles area, along with two others which, file reviews show, fall in the category of "hate" mongers:

CHRISTIAN NATIONALIST CRUSADE, aka
(Bufile 62-43818)

The CNC continues to maintain its mailing headquarters in Glendale, California and is, along with its various "paper" auxiliaries, the media through which GERALD L. K. SMITH, aided by a staff of associates of long standing (Mrs. ELNA SMITH - his wife, RENATA LEGANT, OPAL TANNER WHITE, Rev. CHARLES F. ROBERTSON - his printer, Dr. WESLEY SWIFT, and BERTRAND COMPARET - his attorney), maintains the publication of racially biased propaganda and preserves his following through personal appearances at meetings held in Los Angeles and sometimes in the course of tours across the country.

SMITH and his organizations have been the subject of continuous investigation by the Bureau for many years until as recently as last year. He has not been found to advocate that his followers engage in violence of any kind, or that violence be involved in the solution of any of the problems he presents to his audiences and readers.

[redacted] who has maintained an active interest for years in SMITH (and the CNC) in view of his frequent

b7D

meetings at the Embassy Auditorium in Los Angeles, stated on October 20, 1958, that SMITH and his associates, including the former California Klan leader, Rev. WESLEY SWIFT, have never committed themselves to a course of violence. He said that SMITH's organizations are not membership organizations but are only "paper" organizations, and thrive on the sale of literature, almost entirely of SMITH's own production, and the contributions from his audiences at meetings and others who approve the tenor of his literature and accede to his frequent appeals for funds. (His CNC, as a "national political committee" makes regular reports to Congress under the Federal Corrupt Practices Act, listing the names of those who contribute over \$100.)

He stated SMITH's activities are always open and aboveboard, and his character is such that were he to be approached by the authorities he would more than likely turn over the keys to his office, to the embarrassment of his interviewers. It is this openness, coupled with his unique oratorical and organizing abilities, and an excellent sense of discretion in relation to the legality of his movement, that has permitted him to endure as the pre-eminent public crusader of a "white Christian America." His continued success remains dependent on these considerations, and his being involved in any way with the illegal activities of violence, such as the bombings in the South, would be his downfall. In other words, he has too much to lose to involve himself in such activities.

[redacted] said this conclusion likewise applies to his associates, including SWIFT, over whom SMITH exercises personal direction. Moreover, SWIFT is too intelligent a man to have not come to realize with the passing of time that the course most conducive to his own interests (if he even thought otherwise) is one of avoiding similar involvement. [redacted] added that SMITH reportedly expressed his serious concern that his organization might unjustly be blamed in some way for the recent bombings in the South.

JOE ROOS, Community Relations Committee, Los Angeles Jewish Community Center, Los Angeles, California, who has likewise maintained an active interest for years in SMITH's organizations, in concert with other Jewish investigative organizations throughout the country, stated on October 20, 1958, that SMITH's primary interest is financial and that he is too intelligent to permit himself or his associates to bring about the ruin of his whole "racket" by involvement, direct or indirect, in violence such as the bombings in the South. He said he has not heard and does not believe that

a serious possibility exists that SMITH or his associates have any relation to the bombings.

[redacted] of the Los Angeles Sheriff's Office's Anti-Subversive Detail, Detective Captain CARL LINDHOLM of the Pasadena, California Police Department, and Detective Captain WALTER E. HEGI of the Glendale, California Police Department (on October 22, 1958) were able to furnish no information indicating that the above characterizations of SMITH and his organizations are not true. All the above sources stated that they have received no information indicating that anyone or any organization locally advocates the use of violence in racial matters, or that anyone is suspected of possible involvement in the recent bombings in the South.

"WILLIAMS' INTELLIGENCE SUMMARY"
(Bufile 105-10091)

Los Angeles files disclose ROBERT H. WILLIAMS has been engaged solely in the publication of his literature, and that there is no information that he has advocated violence in the solution of racial problems. He has, moreover, been interviewed by Special Agents on two or three occasions in the past and has always been cooperative.

WAYNE ROGERS, insurance agent, Santa Ana, California, who has been reliably cooperative with Agents of this Office in security matters on several occasions, stated on October 23, 1958, that he has been acquainted with ROBERT H. WILLIAMS for some time in Santa Ana and that as long ago as 1957, WILLIAMS ceased publishing the "Williams' Intelligence Summary" under the name Williams' Publications, Post Office Box 868, Santa Ana, of which he was the sole proprietor. He said that WILLIAMS quit because his literature activities had never been remunerative; that WILLIAMS has since moved to Silverado, California, and is now the owner and manager of the Duplicard Addressing Machine Company, 1010 East Chestnut Street, Santa Ana. He explained that during the past few years WILLIAMS had been working on the side perfecting an invention (the Duplicard Addressing Machine) and that he has recently been able to incorporate and go into business on a full-time basis. He said that WILLIAMS now retains no connections with his past publishing activities; that he never had a membership organization or advocated violence in his writings, and has made no trips outside of California during the past couple years, and could conceivably have had no connection with the bombings in the summer.

LA 105-6075
WJM:mac

[redacted] and JOE ROOS (above) both confirmed the statements that WILLIAMS is not known to have advocated violence in his articles, or to have been more than a publisher of his own writings on communism and subversive influences from an anti-Semitic point of view.

AMERICAN NATIONALIST
(Bufile 105-22921);

KEEP AMERICA COMMITTEE
(Los Angeles file 100-33703)

The American Nationalist (AN), Post Office Box 301, Inglewood, California is the name under which [redacted] Hawthorne, [redacted] (on an irregular basis) the four-page "The American Nationalist" and miscellaneous anti-Semitic and anti-Negro leaflets, replete with lurid photographs which he mails locally and allegedly to addressees in the southern states. [redacted] and the AN have been the subject of previous investigation by this Office in 1953 and again in 1956. At those times it was learned that [redacted] operates alone and is engaged solely in the sale of his own literature, making frequent appeals for subscriptions to his literature and donations to continue his efforts.

R. GLENN SKIRVIN, Postmaster, Inglewood, California, stated on October 22, 1958, that BRITTON's AN has been investigated by the Postal Inspectors on four or five different occasions, but has never been found to have misused the mails, having never advocated the use of violence in his literature. He said that BRITTON frequently visits the Post Office to deposit batches of his literature in the mails, destined to addressees locally and in the southern states. He added that the AN is not a membership organization, conducts no meetings, and is solely operated by BRITTON for the purpose of selling his literature and seeking donations, through these means "earning" a living for himself and his wife. He added that BRITTON is not the sort to get along with others and he has never sought the association of others in his AN.

The Keep America Committee (KAC), Box 3094, Terminal Annex, Los Angeles, California, is, similarly, a name behind which Mrs. HELEN W. COURTOIS, 1405 Sutherland Street, Los Angeles, publishes literature, usually reprints of other "nationalist" literature. None of the various items that have come to this Office's attention advocates violence,

LA 105-6075

WJM:mac

seeks membership or mentions organized activity, but only indicates that the particular items can be ordered in batches at a price from the KAC.

[redacted] and JOE ROOS (above) both state that their organizations have been actively interested in BRITTON's AN and COURTOIS' KAC and have learned that the AN and KAC are not and have never sought to be membership organizations, hold no meetings and are operated solely by BRITTON and COURTOIS for the production of literature. They stated that neither is known to have advocated violence or to have been associated with anyone who has. ROOS added that COURTOIS is a woman in her later 50's or early 60's. They stated that it is not conceivable that either BRITTON or COURTOIS have any connection with the bombings in the South and that neither has the ability nor the funds to engage in any activities outside the state, except for the mailing of literature.

[redacted] of the Anti-Subversive Detail of the Los Angeles Sheriff's Office; Detective Captain CARL LINDHOLM of the Pasadena, California, Police Department; Detective Captain WALTER E. HEGI of the Glendale, California, Police Department, and Detective Lieutenant R. J. GOODYEAR of the Inglewood, California, Police Department (on October 22, 1958), were able to furnish no additional pertinent information concerning BRITTON and COURTOIS.

GENERAL

All of the above-mentioned sources stated they have received no information indicating anyone or any organization locally advocates the use of violence in racial matters, or that anyone is suspected of involvement in the recent bombings in the South.

Contact with security informants and all other logical informants and sources has been unproductive but has served to alert them to the importance of immediately forwarding information concerning persons or organizations possibly relating to bombings in the South to this Office. Contact with them will be maintained on a continuing basis.

RECOMMENDATIONS

It is recommended that no active investigation be undertaken in connection with the "Williams' Intelligence

LA 105-6075
WJM:mac

Summary" in view of its discontinuance almost one year ago, and WILLIAMS' disassociation from his past activities, being presently absorbed in his new business. It is also considered, being "one-man" operations of a nonmembership type engaged in issuing literature, investigations of BRITTON's American Nationalist and COURTOIS' Keep America Committee are not warranted and would be ineffective in achieving the Bureau's primary purpose in these investigations; consequently, no active investigation will be conducted of these three organizations, UACB.

b6
b7C
b7D

With regard to [redacted] Christian Nationalist Crusade: From investigation conducted in the past (until 1957), the continuing review of literature emanating from the CNC and the continuing attention it receives from local sources, a presumptive pattern has been established indicating that [redacted] and his associates are not of such a radical nature as to present a potential for violence, except, of course, insofar as deep-seated, racial ill-feeling is engendered in some readers of his literature. In investigating [redacted] and his associates to ascertain whether the above-mentioned presumptive pattern does not apply equally to their activities when outside of California, it would seem necessary to establish a source among [redacted] inner staff which, it is believed, would constitute a grave risk of embarrassment to the Bureau, because it is apparent that the interests of each associate is the interest of all. Other investigative steps, it is believed, could hardly achieve the primary purpose for initiating investigation.

The Bureau is requested to advise whether it desires the risk be undertaken, nevertheless, or whether it is thought a direct approach to [redacted] and/or any of his associates, and for that matter [redacted] for any information they may have heard in connection with the southern bombings, is not warranted. [redacted] may, in the past, have ridiculed the idea of the FBI investigating him and his organization(s), but it is not recalled that he has been critical of the Director or the FBI.

This Office will, in addition, review its files to identify certain individuals who may have participated in Klan activities years ago to establish their present activities and to determine if they might properly be considered within the Bureau's program.

MISCELLANEOUS INFORMATION CONCERNING

DATE 12/12/83 BY SP6/L290 RUC/mw/tj

On 10/21/58, DADISHOU NICOLAS, owner, Diyersey Realty, 5408 North Clark Street, Chicago, Illinois advised writer that two acquaintances of his, ANDREW KASHA, of the Mascarella Realty Company, 7041 West Grand Avenue, Chicago, and ROBERT O'BRIEN of DesPlaines, Illinois, had come to him that day to tell him that they had been hired by WILLIAM BERNARD WERNECKE, 6250 North Wayne, Chicago, to blow up the residence of NICOLAS with a home made bomb. NICOLAS, who resides in and owns the three flat building at 1418 West Balmoral Avenue, Chicago, advised that WERNECKE has been causing him considerable trouble during the past year and that he is quite certain that WERNECKE is capable of causing him and his family bodily harm.

NICOLAS pointed out that KASHA and O'BRIEN voluntarily came to him with this information and were willing to cooperate with the police to help catch WERNECKE in the act of passing the bomb, which was to be made by WERNECKE, to them. NICOLAS stated that in the past KASHA and he have not been on good terms and that WERNECKE, knowing this, believed that KASHA could be trusted to do the bombing job. According to NICOLAS, KASHA exhibited a chart, reportedly drawn by WERNECKE, showing just where the bomb was to be placed on NICOLAS' property. KASHA also told NICOLAS that WERNECKE had a large supply of dynamite on his farm near Huntley, Illinois, and had told KASHA that he, WERNECKE, had recently corresponded with a friend in Georgia concerning the construction of home made bombs.

The information furnished by NICOLAS was immediately furnished to Supervisor J. J. HURLEY, who in turn notified ASAC EARL BROWN, who instructed that the above facts be furnished to the Chicago Police Department. Accordingly, Supervisor JAMES MORELAND telephonically contacted Lieutenant FRANK O'SULLIVAN of the Chicago Police Department, who advised that he would immediately send representatives of their Bomb and Arson Detail to confer with agents in this office. ① 105-2790 (N.C.P.)

b6
b7C

The following information was previously obtained by SA HESTER and is being set forth to show a brief background which possibly led to the above situation:

Early in World War II the Chicago Office conducted an extensive investigation of WERNECKE, results of which were set out in Chicago file 25-5976, captioned "WILLIAM BERNARD WERNECKE, SELECTIVE SERVICE; SABOTAGE; ESPIONAGE." As a result of this investigation WERNECKE was fined \$10,000 and sentenced to five years in prison by Federal Judge BARNES, who reportedly stated that WERNECKE is the last man in the country he would want to see in the armed forces of the United States. WERNECKE was also reportedly a very active member of the German-American Bund and received much adverse publicity as a result.

In August, 1958, WERNECKE asked the USA's office in Chicago to authorize prosecution of NICOLAS inasmuch as NICOLAS had taken WERNECKE's wife in early August, 1958, to Iowa for three days and that he had witnesses to prove it. The USA's office asked this office to conduct an investigation of this matter. Agents of this office interviewed Mrs. WERNECKE who stated that the allegation was completely false. Upon the receipt of this information, the investigation was discontinued. It should be noted that Mrs. NICOLAS upon learning that WERNECKE had charged her husband with transporting his wife to Iowa, personally told SA HESTER that such could not possibly be true, inasmuch as her husband has never been away from her a single night in the past year.

In August, 1958, NICOLAS confided in SA HESTER that he had just been arrested by the States Attorney's Police after WERNECKE had sworn out a warrant for his arrest, charging that NICOLAS had entered his apartment and stolen a television and refrigerator. Even though NICOLAS' attorney obtained a signed statement from Mrs. WERNECKE in which she stated that she had ordered a warehouse firm to put these pieces in storage, and another signed statement from the warehouse representative that he had placed

these pieces in storage on orders from Mrs. WERNECKE, NICOLAS was nevertheless indicted in October, 1958, and now is awaiting trial before a jury. NICOLAS states that he is being "railroaded" and both he and his attorney, a Mr. MAHER, are unable to understand how such a thing could happen in an American Court.

It should be noted that the States Attorney's Chief investigator is a man named PAUL NEWBY. PAUL NEWBY at one time worked for NICOLAS, during which period of time NEWBY signed NICOLAS' signature to several checks and pocketed the money. NICOLAS subsequently brought NEWBY to trial which resulted in NEWBY having to refund NICOLAS over \$300 and to pay court costs. NICOLAS is of the opinion that WERNECKE and NEWBY have teamed up on him in the present court action due to a mutual dislike of him.

As a matter of record it should be noted that NICOLAS is subject of Identification Record number 831620, having violated immigration laws in 1935 and having been arrested for mail fraud in 1936. NICOLAS is a naturalized citizen, served in Army Intelligence during World War II and was given an honorable discharge. Since the war he has built up a successful real estate business, is married and recently adopted a baby. His wife KATHERINE, is a native of Chicago.

Early in October, 1958, NICOLAS advised SA HESTER that a circular had been mailed to hundreds of real estate firms in Chicago and to all of his close friends. He exhibited a copy of this circular which was printed in bold type -- "Warning - Real Estate Brokers, Real Estate Owners and Buyers Concerning DADISCHOU NICOLAS, Operator Diversey Realty Company, 5408 North Clark Street, Chicago, Illinois." This was followed with a picture of NICOLAS and a summary of his criminal record with the FBI set forth accurately. It also stated that his wife was his "accomplice and tool" and that all transactions of this firm are "fraudulent and dishonest." The circular was signed "Illinois Real Estate Brokers Security Committee, Springfield, Chicago, Rockford."

NICOLAS is of the opinion this circular was made by WERNECKE with PAUL NEWBY's help. He knows of no other enemies.

CG 62-0

A copy of this circular was shown to SAC AUERBACH by SA HESTER and he immediately communicated with the States Attorney's Office. Results of this contact are not known to SA HESTER.

BOMBING CASES HAVING APPARENT RACIAL OR RELIGIOUS BASIS

- D. The SAC or individual in charge will contact the local authorities and extend the FBI services.
- E. The ASAC will arrange for immediate notification of necessary Agent personnel. This should be handled in the most expeditious manner. You may desire to setup a system whereby each Agent upon receiving notification is responsible for immediately notifying another designated Agent thus increasing the number of Agents that may be contacted in the shortest possible time. Agents should proceed to the office or to the scene of the bombing to carry out their previously designated assignments.
- F. The ASAC may in instances involving bombings having apparent racial or religious basis immediately notify neighboring offices by teletype so that such offices may begin an immediate check as to the whereabouts of possible suspects.

II. Assignments

- A. The SAC or person acting in his absence will immediately proceed to the scene of the bombing and will be responsible for the over-all supervision and coordination of all Bureau activities.
- B. The ASAC, the second in command, will remain at the field office.
- C. An Agent should be designated to maintain liaison with the police. Consideration should be given to having this individual stationed at police headquarters so that he may immediately obtain any pertinent information coming to the attention of local authorities.
- D. Military liaison. Consideration should be given to having an Agent responsible for liaison with military authorities. This is particularly important in instances wherein it may be necessary to request explosive or detonation experts from a military establishment to handle explosives found at the scene which have not been discharged. Of course, it will not always be necessary for military explosive or detonation experts to be called to the scene.

- E. Crime scene search. Agents must be designated in advance who will be responsible upon notification to immediately proceed to the scene and handle the crime scene search.
 - F. Informants. An Agent should be designated in advance to immediately contact by the most expeditious means all informants who are in a position to have knowledge concerning the bombing or individuals responsible therefor.
 - G. Neighborhood investigation. Agents who have been previously designated should immediately upon notification proceed to the scene to institute immediate investigation in neighborhood of the crime scene.
 - H. Suspects. Agents previously designated should upon notification of a bombing institute immediate investigation to account for the whereabouts during the pertinent period of logical potential suspects.
- III. Your office should at this time review files and maintain a list of potential suspects who may be affiliated with any of the various "hate groups" and/or have indicated they might resort to violence. The suspects should be assigned to designated Agents who will be responsible for developing at the earliest possible time background information regarding each suspect. Such background should include information as to the suspect's residence; his place of employment; and hours of employment; description of his automobile together with the license number; photograph of suspect; identification record of suspect; and a reliable neighborhood source.
- In addition to an Agent being responsible for designated suspects, there should also be an alternate Agent responsible for the background information on each suspect.
- IV. Observation. It is recognized, of course, that there are varying factors and conditions existing in different localities throughout the country and your program must be designed to most efficiently cover the areas within your territory. The foregoing are submitted as suggestions for the implementation of the program in your office and are not to be considered as all inclusive. A program

must be devised to permit immediate action in instances where you will initiate active investigation.

You should advise the Bureau within ten days of the receipt of this communication of the individuals within your territory being considered as potential suspects in such matters.

All investigation must be afforded thorough, expeditious attention. The Bureau must be kept currently informed of developments. The office of origin must submit a daily teletype summary to the Bureau setting forth results of investigation conducted on that date and indicating in detail the investigation to be handled the following date.

On 12/20/54, [] who has furnished reliable
information in the past, advised SA HOWARD A. SEARL that
copies of the 11/54 issues of "Common Sense" had been distributed
at the U. S. Navy Yard by unknown individuals. ONI was

The "Daily Worker" issue of 1/9/55, Page 15, Column 4,
contained an article stating that AUGUST F. WALZ, Mayor of
Wilmington, Delaware, last week condemned as "vicious and
scurrilous the anti-Negro and anti-Communist tabloid
publication 'Common Sense'", which had been mailed to people in
that area.

On 2/19/57, HARRY H. ROSENTHAL, who has furnished
information to the Philadelphia office in the past, an employee
of the Philadelphia Jewish Community Relations Council, 260
South 15th Street, advised SA ROY L. TUSSEY as follows:

ROSENTHAL stated his organization had received
inquiries from the Philadelphia Chamber of Commerce regarding
the White Citizens Councils of the District of Columbia, also
known as Seaboard White Citizens Councils. ROSENTHAL persuaded
a friend of his to correspond with JOHN KASPER, Executive
Secretary, "Seaboard Citizens Council." As a result, a letter
was received from FLOYD FLEMING, Vice President of the Seaboard
White Citizens Councils, which enclosed numerous copies of

PH 105-4088

"Comon Sense." These items were furnished to ROSENTHAL who in turn furnished them to the Philadelphia Office of the FBI.

On 7/17/57, Miss HELEN COEN, 727 East Allegheny Avenue, Philadelphia, personally appeared at the Philadelphia Office and stated to SA WILLIAM M. McCCLURE that the Jews are infiltrating every commercial, political and religious organization in the U. S. She described herself as a patriot who is watchful of the American way of life.

She said she has documentary evidence to support her statement that President EISENHOWER is partially Jewish and Negro. She left an issue each of "Common Sense" and "Williams Intelligence Summary."

[redacted]
Pa., (protect), with whom sufficient number of contacts have not been made to establish their reliability, in 8/57 advised SA J. CLIFFORD OUSLEY that the Levittown Betterment Association (LBA) was formed after the WILLIAM MYERS, JR. family moved to Levittown. The MYERS family is the first Negro family to move into the previously all white community in Levittown. The LBA was opposed to integration in Levittown. Informants stated that after the LBA was formed it had been contacted by a group of people from Union, New Jersey, who offered assistance in the LBA's activities against integration, including facilities of printing equipment. Literature opposing integration was left with officers of the LBA, and subsequently one of the officers of the LBA received literature from Union, New Jersey, including a copy of "Common Sense."

individuals went to Union, New Jersey, where they contacted CONDE MCGINLEY, Editor of "Common Sense." He said he subscribes to the paper and considers it a worthwhile paper. He also expressed admiration for MCGINLEY. He said he had shown copies of "Common Sense" to his supervisor at his place of employment, but had never distributed the paper.

DISHAROON advised that if he learns of any crimes of violence he would contact the FBI.

A newspaper clipping from the Philadelphia Inquirer, dated 5/2/47, reflects that GERALD L. K. SMITH, former Director of the America First Committee, spoke at a meeting at Town Hall, Philadelphia, the previous evening. This meeting was attended by 300 persons while pickets paraded outside the building. SMITH, the National Director of the Christian Nationalist Crusade, on this occasion spoke at a rally sponsored by the Philadelphia Christian Nationalist Committee of which Mrs. CATHERINE V. BROWN, President of the National Blue Star Mothers was Secretary.

On 12/5/51, LYNN HANSPLANT, complainant, appeared at the Philadelphia Office and was interviewed by SA FURMAN N. GREER. He stated that a few days prior to this interview he

PH 105-4088

was contacted by a CARL L. BLACK and requested to read some literature that Mr. BLACK presented to him at this time. The name of the publication was "The Cross and the Flag," published in St. Louis, Mo.

The contents of this publication brought out the fact that GERALD L. K. SMITH plays a large part in dictating the policy of the publication. HANSPLANT also stated that BLACK told him that SMITH heads the organization, the Christian Nationalist Party. Complainant further stated that in his opinion the articles appearing in the publication seemed anti-Communist and anti-Semitic. HANSPLANT stated that a newsstand at the S.E. Corner 13th Street between Market and Chestnut Streets, Philadelphia, according to BLACK, was selling the above-mentioned publication.

HANSPLANT advised also that BLACK had invited him to attend a meeting in the near future of the Christian Nationalist Party.

There is no indication that HANSPLANT attended the meeting as requested.

Re report of SA JOHN C. OAKES at Philadelphia, dated 8/20/41, captioned ACTIVITIES OF SILVER SHIRTS AND KU KLUX KLAN ORGANIZATIONS IN WILKES BARRE, PA. Dissemination was made to Bureau and Philadelphia.

Instant report reflects that BERT GRITMAN, 312 East Market Street, Wilkes Barre, Pa., advised SA OAKES on 3/21/51 that the Silver Shirts constitute an anti-Semitic and anti-foreign organization and are in his opinion 100% pro-American. He believed there were 26,000 Silver Shirt members in Luzerne County alone. It was his understanding that the Ku Klux Klan was a branch organization of the Silver Shirts and that these two organizations met together between Kingston and Forty Fort, Pa.

Mr. IRVIN S. SHRODE, Director, Immigration and Naturalization Service, and others advised SA OAKES that GRITMAN has very little knowledge of these matters and they considered his comments of negligible value.

On 6/14/50, Chief of Police JOHN GOOD, Williamsport, Pa., advised that he had heard from the American Legion Post that a chapter of Silver Shirts, consisting mostly of Italians, was being formed.

On 6/17/40, Chief of County Detectives K. MUNSHOWER, District Attorney's Office, Norristown, Pa., telephonically advised that he had heard that a chapter of Silver Shirts had been formed in Pottstown six or seven months previously.

Report of SA FRED G. COOK dated 10/27/43 at Philadelphia, captioned, WASHINGTON GUARDS ASSOCIATION, INC.; ARYAN ASSOCIATION, IS - C, reflects a signed statement by LUTHER C. YEICH, dated 9/10/43 at Reading, Pa., which reflects that "Members of the Washington Guards Association, Inc., were promised a year's subscription to PELLELY's paper, the 'Liberator,' this to be included as part of the membership fee of \$10.00. I had subscribed to PELLELY's paper, which was first called 'Liberation,' in 1933 or 1934 and continued my subscription to the time the publication was discontinued. I joined the Silver Shirt Legion in 1935 or 1936. There were not over ten persons in the Reading unit of the Silver Shirts which was headed by a Regional Director whom I recall as being a machine shop employee from Pottstown, Pa.

"The initiation fee for the Silver Shirts was \$10 or \$15 and no dues were paid thereafter although the members bought PELLELY's publications and also booklets in the form of scripts which were written by PELLELY and issued monthly or semi-monthly.

"In the beginning the Silver Shirt movement appeared to be purely religious with no political element present. Around 1937 - 38 the scripts began to deal with the manner in which the Jews controlled international finance and became anti-Semitic. During the meetings the Regional Director would first read a script written by PELLELY and after this discussion of the script was had among the members. No large meetings of the Silver Shirts were held in Reading. In 1935 or 1936 PELLELY's headquarters at Asheville, N. C., advised us of a meeting of the anti-Communist group in the Broadwood Hotel in Philadelphia.

"Meetings of the Silver Shirts in Reading continued for around a year and a half and then ceased. I do not know

WHITE CITIZENS COUNCIL OF

aka. WASHINGTON WHITE
CITIZENS COUNCIL

OO - WFO

Bufile - 100-423395

WFO File - 100-33226

PH File - 105-2702

The files of the Philadelphia Office reflect that THEODORE J. THESING, a prolific letter writer and distributor of various types of anti-Semitic and anti-Negro literature, has been connected with the White Citizens Council (WCC). There is no information indicating the existence of a formal WCC organization in Philadelphia. In this connection, however, the "Philadelphia Tribune," a Negro newspaper, in its issue of 10/21/58, Page 1, Column 2, contained an article captioned, "Race Hate Fanatics Make Jews, Negroes Targets of Attacks." This article states that a "fanatical white segregation group has been organized in the heart of West Philadelphia with the aim of terrorizing and persecuting the Negro and Jewish citizens of this city." The article continues that the "Philadelphia Tribune" has learned through "extremely reliable sources" that an officer of the White Citizens Councils of the South has opened a branch headquarters in the vicinity of 44th and Locust Streets, an interracial community. From an apartment in this area, not further identified, the local "president" of the group reportedly has mailed out thousands of pamphlets and letters to white residents in which Negroes and Jews are defamed.

The pamphlets urge that the reader join in the "race-hate organization" which has as its first mission the destruction of the National Association for the Advancement of Colored People (NAACP) in Philadelphia, and, secondly, the passage of legislation which would bring about segregation in local restaurants, theaters, hotels, public housing, and churches. The article states that while the group has little hope of achieving its two major objectives, it has, "nevertheless, managed to recruit several hundred members into the race baiting cult."

PH 105-4088

While the article failed to identify the local organizer or give the exact address of the WCC, it described the local organizer as a "diminutive, cringing, furtive man who moved into the West Philadelphia apartment about three years ago. Last year he reportedly ordered and received 100 White Citizens Council membership cards from Texas. He has, on occasion, also received large batches of membership cards from Alabama, Mississippi, and Georgia. This individual also reportedly receives copies of White Citizens Council periodicals from Jackson, Miss., which are described as "the most inflammatory of all which are permitted to go through the mails."

The article states further that several weeks ago, the local organizer placed a shingle outside his apartment house door proclaiming himself as the local representative for the National Association for the Advancement and Improvement of White People. Criticism by white and Negro residents of the neighborhood was so intense that he removed the shingle after allowing it to remain outside his apartment door for only one day.

In connection with the above, the Philadelphia Office, on October 23, 1958, through SA EDWARD A. SMITH contacted U. S. Post Office Inspector in Charge A. J. HARKINS on the above. He stated his office has received no information or complaints regarding literature being mailed which emanated from the area of 44th and Locust Streets. He stated he will advise this office immediately of any information whatsoever concerning this matter, particularly any data which identifies or will help to identify the local "president."

On 10/24/58, Officer MAX WEISS, of the "Gang Control Unit," Juvenile Aid Division, Philadelphia Police Department, was apprised of the above by SAs EDWARD A. SMITH and OTIS L. BURTON. He stated that he had no information concerning the existence of the group at 44th and Locust Streets.

On 10/24/58, SA OTIS L. BURTON telephonically contacted Confidential Source [redacted] (protect identity), Executive Secretary, Philadelphia Branch, NAACP, concerning the above-mentioned newspaper article.

Referenced report of 1/16/56 reflected that confidential informants had received no information that the NBSMA was then active.

On 10/20/58, [] who has furnished reliable information in the past and who receives literature from numerous pacifist-type organizations and has a wide knowledge of activities in the Philadelphia area, advised SA MARION B. Referenced report of SA MARION B. Instant report reflected that "the American Flag Committee Newsletter" had been temporarily suspended, and it was expected that the publication would be back in circulation by 12/57 or early 1958.

It is noted that the Philadelphia file concerning MAC FARLAND reflects that he is Executive Chairman of the American Flag Committee. The Philadelphia files contain no record of activity on his part or on the part of the American Flag Committee since referenced report of SA MARION B. HUMMEL.

On 10/21/58, [] who has furnished reliable information in the past, advised SA MARION B. HUMMEL that informant had contacted W. HENRY MAC FARLAND, JR., on 10/20/58. MAC FARLAND advised that he had printed no issues of the "American Flag Committee Newsletter" for some time due to great financial reverses. He presently resides at 2834 Allman Street, Philadelphia. He stated that his father had recently died and, as a result, the family home on Granite Street was sold.

MAC FARLAND said that he plans to issue a circular in the near future and that this circular will deal with the National Mental Health Association with headquarters in Washington, D. C., which he claims is providing drugs to school children to their

detriment. Specifically, it will deal with the public health set-up in Montgomery County, Pa.

At no time did MAC FARLAND make any anti-Semitic remarks nor did he mention the recent bombings of synagogues in the various sections of the nation.

[] has been alerted to maintain contact with MAC FARLAND and to report any pertinent information concerning him.

In the absence of information indicating MAC FARLAND or the committee which he heads is engaging in any anti-Semitic, anti-Negro, or racial agitation, active investigation is not contemplated.

The Philadelphia Office is launching investigations of the White Citizens Council of the District of Columbia, aka., which investigation will be directed to identifying the individual or group operating in the vicinity of 44th and Locust Streets. Philadelphia. In addition, the master file concerning [] has been opened and intensive investigation directed toward ascertaining his current and past activities and associations. Every effort will be made to submit reports each thirty days until the Bureau advises to the contrary or until the group or individuals under investigation have definitely been eliminated as having any connection with the bombings. Significant developments in the cases will be promptly furnished the Bureau by whatever means of communication deemed warranted.

In regard to the National Blue Star Mothers of America and the American Flag Committee, trash covers are being placed on the residence of MAC FARLAND (AFC) and 5200 Warren Street, Philadelphia, (NBSMA) in an effort to determine present activities of these groups, if any. Dear Sir;

I wish to offer an important clue in the dynamiting of the Atlanta synagogue. Contributions to the Jewish funds have been lagging this year, and the Jews hire people to blow up their synagogues, to frighten the little Jews into contributing to the millionaire Jewish leaders. This has been a notorious practice of the Jewish communities for thousands of years. A huge fund is raised to rebuild the building, and gentile businessmen are forced to contribute or their businesses are closed down. Yet these synagogues are insured! Once again the Jews, while busily exploiting the gentiles, raise the cry that they are being persecuted!

I can testify to important aspects of this practice, because Anti-Defamation League leaders offered me money to carry on anti-Jewish campaigns, and then persecuted me because I refused to cooperate with them. As you may know, all of the anti-Jewish agitation is directed by Jews, much of it under the leadership of Benjamin Freedman, a Jew. Lyle Stuart, who publishes a paper at 225 Lafayette St. NYC, NY, can also testify that the AntiDefamation League finances and assists anti-Jewish agitation.

I suggest that the leaders of the Jewish community be arrested at once and questioned night and day until they confess to this foul crime against their own people.

Also, another purpose in the Jews dynamiting their own synagogues at this time is their hope of declaring martial law and executing all Americans like myself who have a record of being opposed to Communism. This is their last chance to get the integration program through in the South, according to a prominent Jewish leader. However, I am serene in the Love of Jesus Christ, and I know that although the Jews do, and that the body of Christ be crucified, they have never been able to eradicate the benign effect of His spirit on human civilization.

Yours in Christ,

REV. EUSTACE MULLINS

RUTH WERNECKE advised that she married WILLIAM B. WERNECKE in Mexico some time ago and that she has been separated from him since July 5, 1958, because of the cruel physical mistreatment she has received from him. She claimed that her maiden name is REINER and that she presently uses the name of RUTH ENGSTROM. WILLIAM WERNECKE resides at 6250 North Wayne Avenue, Chicago, Illinois, and has a 90 acre farm in Huntley, Illinois.

RUTH WERNECKE claimed that WILLIAM B. WERNECKE had bragged to her that prior to World War II he had a part in a bombing of a Chicago department store which broke some windows. He also admitted to her that he had bombed some tombstones in Jewish cemeteries; however, she could not furnish any details concerning these incidents. He has done considerable amount of dynamiting of tree stumps and water ponds on his farm in Huntley, Illinois. She knew that he purchased several cases of dynamite from RUSSEL REED, a farmer and distributor of the Atlas Explosive Company. REED's farm is two miles south of Woodstock, Illinois. WERNECKE has also purchased black powder from REED and from Sports Inc., 5501 North Broadway, Chicago, Illinois and Keeney's Sport Shop in Elgin, Illinois. WERNECKE is an avid gun collector, makes his own bullets, and considers himself a firearms expert.

WERNECKE is considered to be very unstable and has been under the care of a psychiatrist, Dr. HANS DEUTSCH, 334 West Barry, Chicago, Illinois.

WILLIAM WERNECKE has instructed others in the use of explosives and is capable of inciting others to acts of violence, but would never have the courage to perform an actual bombing himself.

He had instructed one CHARLES KELLY, age 27, believed to reside at Route # 2, Valdosta, Georgia, who was in Chicago for approximately four months several years ago, on the use of explosives. KELLY stayed on WERNECKE's farm at Huntley. KELLY was arrested by the Chicago, Illinois Police Department for possession of a loaded gun in his automobile. KELLY was released on bond and immediately left the Chicago area.

In or about February, 1958, WILLIAM WERNECKE made a trip (alone) to Florida and Georgia. The nature of this trip was unknown.

WILLIAM WERNECKE has associated with ANTHONY MARINO, believed to be a chef at the Charmet Restaurant, Chicago, and JOSEPH BEAUHARNAIS, address unknown. Both are considered capable of inciting others to performing acts of violence, but she had no information concerning their individual activities.

WILLIAM WERNECKE, according to RUTH WERNECKE, is considered to be worth approximately \$125,000 and in order to avoid payment of taxes, he formed a church known as the American Humane Church, to which he has transferred his property. This is actually no church at all, but a church on paper only. The foundation of this church is reportedly recorded in McHenry County and WILLIAM WERNECKE has appointed himself as a bishop in this church.

The now defunct Nationalist Conservative Party, organized by WILLIAM WERNECKE, never had any active members. She could furnish no additional information concerning this organization.

She concluded that WILLIAM WERNECKE encouraged and supported racist literature put out by MAX NELSEN of the Real Political Institute, age 35, of 2545 West Catalpa, Chicago, Illinois, and one MATYKOEHL of Chicago.

On May 16, 1955, a source furnished literature distributed by the NCP, which described the aims and purposes of the NCP as favoring "the capitalist system in this country, advocating the incarceration of all corrupt labor union officials, the dissolution of corrupt unions and demanding the full privilege of the "open shop" to all Americans." The NCP was opposed to gifts of assistance to any nation and to the United States participation in the United Nations. The NCP also favored a rigid government controlled economy looking to a balanced budget and reduced debt.

On May 6, 1957, and June 27, 1957, WILLIAM PINSLEY, Fact Finding Department, Anti-Defamation League, B'nai B'rith, 343 South Dearborn Street, Chicago, Illinois, advised that WILLIAM WERNECKE was a former member of the German American Bund and had founded the NCP in an attempt to organize a third political party. According to PINSLEY, this organization has not been active since the Spring of 1956 and is now defunct.

(T-1, 5/16/55)

On October 20, 1958, Miss RUTH WERNECKE, 5308 North Damen Avenue, Chicago, Illinois, advised SAs LLOYD O. BOGSTAD and PAUL M. GRIBER that she was married to WILLIAM B.
